ACKNOWLEDGEMENT

I take this opportunity to express my heartily indebtedness to my guide Dr. Ashutosh Biswal for his inspiring guidance, instant help in spite of his busy life, sustained interest bestowed in my study since the conception of the problem and constant inspiration. I shall cherish his friendliness, positive attitude and loving approach.

I thank Prof. S. Kumar, Head, Department of Education & I/C Dean, Faculty of Education and Psychology, and Prof. R.G. Kothari, former Head, Department of Education & Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda for their academic and administrative support.

I am grateful to Prof. D.R. Goel and Dr. Sudarshan C. Panigrahi for their help as experts and their constant inspiration during my training programme.

I extend my sincere thanks to Dr. Dibakar Sarangi, Lecturer in Education, D.A.V., C.T.E., Koraput for his first inspiration to pursue my study at CASE, Baroda.

I am thankful to Dr. Jayshree Das, Dr Chaya Goel, Dr. K.S. Joseph and Dr. Ranjan Panda for their moral support and encouragement.

I extend my sincere thanks to Mr. Rajanikant H. Jani, Managing Director Shree Shreyas Education Trust, Baroda and Mrs. Nita P. Jani, Principal of Silver Oak School and Director Computer of Department, Shreyas Vidyalaya – Samarpan and Alankar Branch for allowing me to conduct my study at their schools.

I am grateful to the teachers of Shreyas Vidyalaya, Mrs. Bharati A. Joshi, Mrs. Priti M Joshi, Mrs. Sheetal P. Trivedi, Ms. Jyoti Pawar, Ms. Reema Kahar, Mr. Animesh Patel, Mrs. Sejal Patel, Mrs. Mayuri Khankhanwala, Mr. Vipul Shah, Mr. Viral Trivedi for their unconditional and unforgetful cooperation during the period of data collection as without their cooperation it would not have been possible to conduct my experiment.

I am also thankful to Mr. Suba Rao, Audio-Visual operator, other computer teachers and non-teaching staff of Shreyas Vidyalaya for their help during the training programme.

I thank Dr. Ram Mirchandani and Dr. Rajni Mirchandani for their moral support and help in getting permission of schools for observation.

I extend my special thanks to Mrs. Sumanlata Rathour for her unconditional support and cooperation for observing the computer education classes during my research study.

I am thankful to my friends Mr. Yogesh Prajapati, Mr. Harish Rathod, Dr. Halim, Dr Ramachandra Rao, Mrs. Pooja Talwar, Mrs. Monisha Sanadhya, Mrs. Sonam Challani, Mr. Romesh, Mr. Rajesh S.V., Mr. Bishnu P. Gautam, Mr. Hrudananda Mishra and Mr. Laba Padhi for their well wishes, encouragement and moral support.

I am thankful to Dr. Santosh Dash, Lecturer in English, Savli College for proof reading in spite of his busy schedule.

I am thankful to the students of Standard VIII of Shreyas Vidyalaya (Alankar Branch) both the Gujarati and English medium and also to the Students of Standard VIII-B (English Medium) and VIII-C (Gujarati Medium) of Shreyas Vidyalaya (Samarpan Branch) of the year 2005-2006for their participation in experimental and control group.

I am thankful to Pandy Yogendra K. Librarian, CASE for his help in resourcing learning materials.

A special heartfelt acknowledgement to my nephews Himansu, Pooja, Priti, Rani, Rajesh and Kirti those missed my love and affection during my study at Baroda.

Finally, I thank to Aum Copy Point, Fatehgunj for taking print and binding of the thesis.

December, 2005 (MUKESH KUMAR CHANDRAKAR)

Baroda (Investigator)
