A C K N O W L E D G E M E N T

It is with great pleasure that the author acknowledges his deep sense of gratitude to Dr. A.M. Talati for suggesting the problem and stimulating interest in the work, and for encouragement and guidance through the various phases of the work.

He also takes this opportunity to express his sense of gratefulness to Prof. Suresh Sethna, Head, Chemistry Department, for his encouragement and continued interest in the work.

His thanks are due to Dr. S.S.Lele, Reader in Analytical Chemistry (Micro) for the Micro Analysis of the samples.

His thanks are due to Prof. M.C.Patel, B.V.M., Vallabhvidyanagar for his help in getting the visible spectra of the salts for us.

His thanks are due to M.S.University of Baroda, Baroda. for Research Assistantship.

Finally the author thanks all the fellow workers and the members of the staff for their kind cooperation from time to time.

B. V. Shah
