Preface	i
Contents	iii
List of Tables	ix
Abbreviations used in the Thesis	xvi
CHAPTER I : INTRODUCTION : HISTORY AND DEVELOPMENT	
OF STUDENT ACTIVISM	1-46
-Changing Concept of Student Activism	1
-An Age old and Worldwide Phenomenon	2
-A Stable Rather Than a Passing Phase	4
-A Societal Movement	6
-Aspects of Student Activism	7
-Educational	8
-Social	10
-Political	11
-Cultural	13
-Economic	14
-Psychological	16
-History of Student Activism in India	17
-Emergence of Student Activism	17
-Pre-independence Student Activism	19
-Post independence Student Activism	25
-Changes in the Post independence Student Activism	29
-Geographical Distribution of Student Activism	32
-Student Activism in U.P.	34
-Increasing Involvement of Students	38
-Student Activism in the Banaras Hindu University	39

CHAPTER II : REVIEW OF RELATED LITERATURE	47-79
-Classification of Literature	48
-Analysis of Researches	50
-Involvement of Students	53
-Causes and Factors	56
-Political	59
-Socio-Economic	63
-Academic	65
-Administrative	67
-Psychological	68
-Characteristics of Leaders/Activists	69
-Attitudes and Political Socialization	73
-Banaras Hindu University	74
-Conclusion	78
CHAPTER III : RESEARCH DESIGN	80-108
-Need for the Study	81
-Problem and Definitions	81
-Statement of the Problem	82
-Explanation of Various Terms	82
-Internal Tension and External Manifestation	83
-Various Disciplines Involved	83
-Purposive and Purposeless Activities	84
-Choice of the Term	85
-Definitions	86
-Objectives of the Study	87
-Delimitation of the Study	89
-Methodology	90
-Instrumentation	90
-Activism Scale	91
-Rationale for the Scale	92
-Developing the Scale	92

-Item Collection	93
-Aspects of Activism	94
-Item Analysis	95
-Item Selection	95
-Reliability and Validity	96
-Questionnaire	98
-Interview Schedule	102
-Sample and Sampling Technique	102
-Collection of the Data	104
-Analysis and Interpretation of the Data	106
-Scoring	106
-Analysis of the Data	107
-Interpretation of the Activism Scale	108
 CHAPTER IV : ANALYSIS AND INTERPRETATION OF THE DATA	 109-240
-Introduction	109
 SECTION A : STUDENTS' PARTICIPATION IN POLITICAL AND PROTEST ACTIVITIES	
-Interest in Politics	112
-Opinions regarding Participation in Active Politics	113
-Active Participation in Politics	115
-Association with Political Parties	117
-Caste-wise Association with Political Parties	120
-Levels of Association with Political Parties	122
-Association with youth Organizations	123

-Efficacy of Public Protest Type Activities	126
-Perception of Efficacy of PPTA on Different Occasions	128
-Opinions Regarding Participation in PPTA	131
-Participation in PPTA	133
-Frequency of Participation in PPTA	136
-Extent of Participation in PPTA	138
-Participation in Different Types of Agitations	140
-Reasons for Participating or not Participating in PPTA	144
-Participation in Movements at Secondary Level	148
-Students' Purposes for Joining the University	150

SECTION B : INTENSITY OF STUDENT ACTIVISM

-Personal Variables and Student Activism	154
-Sex	154
-Age	157
-Ordinal Position	158
--Sociological Variables and Student Activism	160
-Caste	161
-Residence	167
-Marital Status	170
-Family Type	172
-Rural-Urban Background	174

-Region	177
-Socio-Economic Variables and Student Activism	181
-Socio-Economic Status	181
-Occupation	187
-Institutional Variables and Student Activism	191
-Educational Commitment	191
-Faculties	196
-Level	200
-Duration of Stay	203
---Students' Perception of Guardians' Political Activities and Student Activism	204
-Political Variables and Student Activism	211
-Students' Association with Political Parties	212
-Participation at Secondary Level	217
-Students' Participation in Political and Protest Type Activities	219
SECTION C : SIGNIFICANCE OF HIGH STUDENT ACTIVISTS AND LOW STUDENT ACTIVISTS	
-High Student Activists	225
-Low Student Activists	231
-The Emerging Trend	235
CHAPTER V : SUMMARY, SUGGESTIONS AND CONCLUSION	241-269
-Introduction	241
-Statement of the Problem	243
-Delimitation of the Study	244
-Objectives of the Study	244

-Methodology	245
-Instrumentation	245
-Activism Scale	246
-Questionnaire	247
-Interview Schedule	249
-Sample and Sampling Technique	249
-Collection of the Data	250
-Analysis and Interpretation of the Data	250
-Major Findings	252
-Trend of Students' Participation in Political and Protest Type Activities	253
-Intensity of Student Activism	257
-Significance of HSAs and LSAs	266
-Suggestions for Further Study	267
-Conclusion	268
 BIBLIOGRAPHY	 270-291
 APPENDICES	 292-314
Appendix A: Questionnaire	292
B: Activism Scale	299
C: Interview Schedule	305
D: Scoring Scheme	306
E: Correlation Coefficients	308
F: A and B Splits of the Scale	312
G: List of Different Terms	313
H: List of Conferences and Committees	314
