

LIST OF TABLES
=====

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
1.1	Downfall of Governments in Ten Countries due to Student Activism	4
1.2	Persons Convicted in Bengal in Connection with Revolutionary Crimes Between 1906 and 1918	20
1.3	Region-wise Frequency of Incidents Between Nov.1970 and Dec.1972	33
1.4	State-wise Distribution of Titles on Student Activism	37
3.1	Some Examples of Three Categories of Responses	91
3.2	Aspect-wise List of Items of the Activism Scale	96
4.1	Faculty-wise and Sex-wise Break-up of the 520 Sample Students	111
4.2	Opinions of Male and Female Students with Respect to Their Interest in Politics	112
4.3	Opinions of Male and Female Students with Respect to Their Participation in Active Politics	114
4.4	Actual Participation in Active Politics by Male and Female Students	116
4.5a	Association of Male and Female Students with Political Parties	118
4.5b	Caste-wise Association of Male and Female Students with Political Parties	120

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.5c	Levels of Association of Male and Female Students with Political Parties	123
4.6	Association of Male Students with Youth Organizations	124
4.7	Male and Female Students' Perception of Efficacy of PPTA	127
4.8	Male and Female Students' Perception of Efficacy of PPTA on Different Occasions	129
4.9	Opinions of Male and Female Students regarding Their Participation in PPTA	132
4.10	Actual Participation by Male and Female Students in PPTA	134
4.11	Frequency of Participation by Male and Female Students in PPTA	137
4.12	Extent of Participation by Male and Female Students in PPTA	138
4.13	Participation by Male and Female Students in Different Types of Agitations	141
4.14a	Reasons for Actively Participating in PPTA	145
4.14b	Reasons for not Actively Participating in PPTA	147
4.15	Participation by Male and Female Students in Movement at Secondary Level	149
4.16	Male and Female Students' Purposes for Joining the University	151

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.17	Significance of Difference Between Mean Scores of Male and Female Students with Respect to Intensity of Student Activism	154
4.18	Correlation Coefficients Between Age and Student Activism Scores	157
4.19a	Mean Scores of Student Activism for Four Groups of Ordinal Position Among Male Students	159
4.19b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Groups	159
4.20a	Mean Scores of Student Activism for Six Caste-Groups Among Male Students	162
4.20b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Six Caste-Groups	163
4.20c	Mean Scores of Student Activism for Four Caste-Groups Among Female Students	163
4.20d	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Caste-Groups	164
4.21a	Mean Scores of Student Activism for Four Residence-Groups Among Male Students	168
4.21b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Residence Groups	169

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.21c	Significance of Difference Between Mean Student Activism Scores for Two Residence-Groups Among Female Students	170
4.22a	Significance of Difference Between Mean Scores of Activism for Married and Unmarried Male Students	171
4.22b	Significance of Difference Between Mean Scores of Activism for Married and Unmarried Female Students	171
4.23a	Significance of Difference Between Mean Scores of Student Activism for Male Students of Two Family Types	173
4.23b	Significance of Difference Between Mean Scores of Student Activism for Female Students of Two Family Types	174
4.24a	Significance of Difference Between Mean Scores of Student Activism for Rural and Urban Male Students	175
4.24b	Significance of Difference Between Mean Scores of Student Activism for Rural and Urban Female Students	176
4.25a	Mean Scores of Student Activism for Four Region-Groups Among Male Students	178
4.25b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Region Groups	178

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.25c	't' Values for Six Combinations of Region-Groups of Male Students	179
4.26a	Correlation Coefficients Between Parents' SES and Student Activism Scores for Male Students	182
4.26b	Correlation Coefficients Between Parents' SES and Student Activism Scores for Female Students	184
4.27a	Mean Scores of Student Activism for Four Occupation-Groups Among Male Students	187
4.27b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Occupation-Groups	188
4.27c	't' Values for Six Combinations of Occupation-Groups	189
4.27d	Mean Scores of Student Activism for Four Occupation-Groups Among Female Students	190
4.27e	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Four Occupation-Groups	190
4.28a	Correlation Coefficients Between Educational Commitment and Student Activism Scores for Male Students	192
4.28b	Correlation Coefficients Between Educational Commitment Student Activism Scores for Female Students	195

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.29a	Mean Scores of Student Activism for Four Faculty-Groups Among Male Students	197
4.29b	Analysis of Variance for Finding Significance of Difference between Mean Scores of Student Activism for Four Faculty Groups	197
4.29c	't' Values for Six Combinations of Faculty Groups of Male Students	198
4.29d	Significance of Difference Between Mean Scores of Student Activism for Arts and Science Female Students	200
4.30a	Significance of Difference Between Mean Scores of Student Activism for UG and PG Male Students	201
4.30b	Significance of Difference Between Mean Scores of Student Activism for UG and PG Female Students	202
4.31	Correlation Coefficients Between Duration of Stay and Student Activism Scores for Male and Female Students	203
4.32a	Correlation Coefficients Between Students' Perception of Guardians' Political Activities and Student Activism Scores for Male Students	205
4.32b	Correlation Coefficients Between Students' Perception of Guardians' Political Activities and Student Activism Scores for Female Students	209

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
4.33a	Mean Scores of Student Activism for Five Party-Groups Among Male Students	213
4.33b	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Five Party-Groups	213
4.33c	't' Values for Ten Combinations of Party-Groups Among Male Students	214
4.33d	Mean Scores of Student Activism for Three Party-Groups Among Female Students	216
4.33e	Analysis of Variance for Finding Significance of Difference Between Mean Scores of Student Activism for Three Party-Groups	217
4.34	Correlation Coefficients Between Participation in Movements at Secondary Level and Student Activism Scores	218
4.35a	Correlation Coefficients Between Students' Political and Protest Type Activities and Student Activism Scores for Male Students	220
4.35b	Correlation Coefficients Between Students' Political and Protest Type Activities and Student Activism Scores for Female Students	222
