ACKNOWLEDGEMENTS

SMT. HANSA MEHTA LIBRARY
The M. S. University of Baroda

First and foremost, I would like to thank GOD for giving me strength and ability to accomplish this work. I also thank my parents whose words of encouragement and appreciation have always given me strength to perform my work to the best of my capacity. I have a great pleasure to thank my guiding teacher Dr. P. C. Mankodi, for his invaluable guidance, encouragement and support throughout the study period. He was always there to lend his helping hand and experienced vision to solve the problems.

I thank Prof. A. V. Ramchandran, Ex- Head and Dean and Dr. Ms. Geeta Padate, In-charge Head, Department of Zoology for providing me the laboratory facilities and good working environment. I also thank Dr. K. D. Vachhrajani and Mrs. Hetal Roy for their constant support during my laboratory work with necessary comments and criticisms. I am thankful to all the teachers for their valuable support. I am obliged to Prof. Nikhil Desai, Dean, Faculty of Science, for his constant encouragement during the tenure of this work.

I also thank the non-teaching staff of the department and administrative staff of the Faculty and University office for their support.

I am thankful to Gujarat Ecological Society for allowing me for referencing facilities. I also thank the Health Department and Land and Property Department of Vadodara Mahanagar Seva Sadan for providing the necessary health data and also for making arrangement of health camps. I also thank to all those counselors

and officers of VMSS who have helped me during my work. I also thank to Mr. Harshit Upadhyay for his constant support and encouragement.

I am thankful to Dr. Pranav Pandya, Dr. Chandresh Dave and Dr. Mrs. Seema Verma for their helpful advices. I thank Kiran, Neelam, Jignesh, Mayur, Mahendra, Madhuri, Bhavika, Deepak and Shailja my co-workers for their cooperation during my present work.

I thank Ms. Khushali Pandya for her helping hands during my thesis writing and editing. I am thankful to my sister Nikita for always being there for moral support and advices.

I am also thankful to UGC for awarding the RFSMS scholarship to support my research work. Last but not least I thank all other University and Faculty officials who have made my working task easier by their administrative support.
