ACKNOWLEDGEMENTS

It gives me a great pleasure to record my deep sense of gratitude to Dr. J. C. George, Professor of Zoology, M. S. University of Baroda, for the suggestion of the problem and also for the constant guidance and encouragement, but for which this work would not have been completed.

My sincere thanks are also due to Dr. N. M. Bhatt, Mr. I. R. Patel and Mr. Y. C. Patel of the Department of Statistics, for the statistical evaluation of the work presented in Chapters 1, 3, 4 and 7. Finally I must thank all my colleagues in the department for their helpful criticism and cooperation.
