ACKNOWLEDGEMENTS

It is a humbling experience to acknowledge those people who have helped along the journey of my Ph.D. I am indebted to so many for their encouragement and support.

First and foremost, I would like to thank the ***Almighty*** *for giving me the strength, knowledge, ability and opportunity to undertake this research study and to complete it satisfactorily. Without his blessings, this achievement would not have been possible.*

I would like to express my sincere gratitude to my supervisor ***Dr. Ranjitsinh Devkar*** *for the continuous support during my Ph.D and related research, for his patience, motivation, brain storming discussions and immense knowledge. His deep insights helped me at various stages of my research and His belief in my work kept me going even when I had lost hope. His guidance helped me get through this difficult journey and writing of the thesis. I hope that I could be as lively, enthusiastic, and energetic as Sir and to someday be able to command an audience as well as he can.*

I would like to thank the Head of the department ***Prof. P.C. Mankodi*** *for providing me the facilities for carrying out my research and constant support during the entire period of my research. I have great pleasure in acknowledging my gratitude to the faculties of Zoology department, who have been very kind and always supportive. Special thanks to the clerical and academic staff of the department for their innumerable help with the administrative work.*

I am extremely grateful to ***Prof. A. V. Ramchandran****,* ***Dr. Vihas Vasu****,* ***Dr. Prakash Pillai and Dr. Raktim Mukherjee*** *for their valuable advice, constructive criticism, encouragement and support throughout this journey.*

I take this opportunity to extent my gratutide to all my teachers who have taught me since my childhood, this would not have been possible without the efforts they have put all along and molded me into what I am today.

I am sincerely grateful to ***Prof. Man Singh (Central University of Gujarat)*** *for his enthusiasm and willingness, guidance and allowing me to work in his lab and do the physicochemical studies. His immense knowledge has helped me complete this research work. I am grateful to* ***Rajlakshmi Chetty,*** *for constantly being with me and helping me perform the physicochemical parameters.*

This work would not have been possible without the generous help of ***Mr. Malav Patel,*** *Shakti hatcheries, Sarsa, for providing fertilized eggs as and when needed without any charges. This gesture is truly appreciated.*

I would also like to express my sincere thanks to ***Dr. Sonal Thakore*** *and her research team (****Puran and Manita****) for their support and help as and when required. I am especially obliged to* ***Prof. Sarita Gupta*** *(Co-ordinator, DBT-MSUB-ILSPARE; Real time PCR),* ***Dr. Kishore Rajput*** *(botany department, M.S.U; photomicroscopy) and* ***Mr. Dilip Patil*** *(Rubamin Limited, Vadodara; ICP-OES analysis)*

I am indebted to my labmates, ***Kapil****,* ***Jaymesh bhaiya****,* ***Shridhar****,* ***Apeksha*** *and* ***Ali*** *for the stimulating discussions, for the late nights we spent working together before*

deadlines and for all the fun we have had in the last few years. ***Kavita****, you have been my Dame in shining armour. Guys, without your help and efforts writing and completion of thesis would not have been possible.*

*A good support system is important to surviving and staying sane during Ph.D. I was lucky to have these girls (****Zalak, Lipi, Juhi****,* ***Arpita and Sarmita)*** *with me. I know that I could always ask them for advice and opinions on lab related issues. Thank you for all the love and care along with the help and support. We have shared a lot together (I'll never forget the many wonderful lunches and fun activities we've done) which will be forever etched in my memory. Special thanks to* ***Jaldeep*** *for helping me understand the world of neurons. I gratefully acknowledge the efforts, constant encouragement & support during the course of this research by* ***Kedar, Ashutosh and Bhavya Di****. I would extend my thanks to other* ***research scholars*** *of zoology department especially* ***Urja****,* ***Ankit, Kangkan*** *and* ***Himadri*** *who helped me during my Ph.D in one way or the other.*

I am short of words for all the love and strength that I have received from ***Niralee*** *and* ***Parini*** *who have, in their own ways, kept me going on my path to success and assisting me in whatever manner possible. You guys have given me a lifetime of memories which I will always cherish.*

I owe special thanks to ***Dr. Khushali Pandya, Dhruva Trivedi*** *and* ***Mithil Trivedi****. I appreciate the contribution of the dissertation students* ***Manisha, Chabi*** *and* ***Ananta****.*

*I gratefully acknowledge Department of Science and Technology- Science and engineering research board (**DST-SERB**), for providing financial support in form of Major Research project to my guide.*

*Last but not least, my heartfelt gratitude to my **Parents** for their infallible love and support that has always been my strength. It was only because of them that I could keep going even in the most difficult of times. I owe this to them. **Zarna** and **Dhruvit**, you knew it would be a long and sometimes a bumpy road, but you loved and supported me along the way, Thank you. Finally, I also express my gratitude to **Rashesh** for being my pillar of strength and one who always encouraged and motivated me in my work which is worth more than I can express on paper.*

Shweta Patel
