ACKNOWLEDGEMENTS.

I take this opportunity to express my sincere thanks to Dr. J.D.Pathak, B.Sc., M.D., F.C.P.S. Dean, Medical College, Baroda for providing facilities for carrying out this work and for his encouragement.

I wish to express my sincere gratitude to Dr. O.D. Gulati, M.D., M.S. (Colorado) for suggesting this problem and for his invaluable advice, criticism and suggestions during the course of the work. I am also grateful to Dr. S.D.Gokhale, M.D. (Pharmacol.) for rendering valuable suggestions and for critically examining the manuscript.

Thanks are due to staff of the pharmacology department of Medical College, Baroda for their kind co-operation.

This work was supported by a grant from the Council of Scientific and Industrial Research, New Delhi.
