

ACKNOWLEDGEMENT

It is my great privilege to express my gratitude to my guide Dr. Sunirmal Roy, Reader, Centre of Advanced Study in Education, M.S. University of Baroda for extending his assistance and meritorious guidance which has enabled me to complete this work in time.

Most gratefully I wish to express my thankfulness to Prof.D.B. Desai, Head of CASE and Dean, Faculty of Education and Psychology, M.S. University of Baroda for his solace and encouragement when I felt home-sick.

I owe my special debt and gratitude to Prof.M.S. Yadav and Dr.R.Govinda of CASE, M.S. University, Baroda, Dr. A.K.M. Obaid Ullah and Md. Shamsul Kabir, BEERI, Dhaka, Dr. Ashraf Ali and Dr. Iqbal Aziz Muttaqui, I.E.R., University of Dhaka for their suggestions on various aspects of this investigation.

I owe much to the heads and science teachers of the schools and others in Bangladesh who extended their cooperation and help during data collection for this study. I am also indebted to Mr.Kanubhai Patel for his neat and timely typing of this thesis.

Last, but not least, I must acknowledge the sacrifice and contribution of my wife Mrs.Anjuman Ara Begum for long three years during my stay in India. I further remember passionately my beloved kiddies Ranju, Sagar and Urmi who had been starving from my love and affection for long three years.
