Dear Shri

Shri Dev Raj Goel, a Research Fellow of M.S. University of Baroda in its Centre of Advanced Study in Education is doing a doctoral thesis on School Broadcasts in India. He desires to collect relevant information from different AIR stations doing school programmes. I would request you to help him with such information as is possible for being released to him (pamphlets, schedules and like information), whenever he writes to you.

With kind regards,

Yours sincerely,
