CENTRE OF ADVANCED STUDY IN EDUCATION

M.S. UNIVERISTY OF BARODA

BARODA - 390 002

Dear Sir/Madam,

I am a research student working on the project "School Broadcasts in India", at C.A.S.E., M.S. University of Baroda, Baroda. For this study, I wish to find out how school broadcasts are being conducted and utilised in various schools, and also to find out how effective are these according to the Headmasters, Teachers, and Students.

For collecting the necessary information in this regard, I have enclosed 12 questionnaires herewith - one for you, one for any teacher concerned with this programme in your school and ten for students. Please select these ten students from any one grade utilising school broadcasts on the basis of systematic sampling (say 4th, 9th, 14th, 19th, 24th, 29th, 34th, 39th, 44th, and 49th students from the roll call register). You may please tell the students to fill in the questionnaire independently. A self addressed stamped envelop is enclosed which you can use to return the questionnaires.

I will be grateful to you for this help. Kindly send the filled in questionnaires at your convenience, preferably within 20 days.

Thanking you,

Date:

Yours faithfully,

Enclosed as above
