Acknowledgement

Although my name is on its spine, this thesis has only been made possible through the efforts of others to whom I owe debts of gratitude that cannot be repaid in a few modest paragraphs.

My first thanks goes to **Prof. (Mrs.) Rajani Giridhar,** my guide, for her support, encouragement, and advice during every stage of my research, since 2006. I have always benefited from her useful comments, suggestions and constructive discussions. I thank her for devoting enormous efforts and time to help me in research activities.

I am immensely thankful and wish to express my deep sense of gratitude to **Dr. M.R. Yadav**, Professor in Pharmaceutical Chemistry and Head of the Department for his co-operation and critical suggestions during the research work.

Words are inadequate to express my thanks to **Dr. R. Ramajayam**, for his kind co-operation and continuous suggestions during the research work.

I sincerely acknowledge **Prof. Jan Balzarini**, Rega Institute for Medical Research, Katholieke Universiteit Leuven, Belgium, for to perform preliminary anti HIV screening. I would also like to thank **Prof. (Mrs.) Sarita Gupta**, Department of Biochemistry, The M. S. University of Baroda, for anti-Malarial activity.

I genuinely acknowledge my thanks for the assistance rendered by my colleagues **Riyaj Tamboli, Anand Mantri, Vishal Zambre, Amit Verma, Palash Pal, Prashant Naik, Vijay Pawar** and **Premlal**.

I am also thankful to **Dr. Shirshendu Dasgupta**, **Dr.Prafulla Sabale** and **Dr. Prashant Murumkar** for their support during my work.

I express my thanks to all the **non-teaching staff** of Pharmacy Department for their co-operation during the course of the work.

This acknowledgement will not be complete if I don't mention the names of few benevolent individuals whom I came to know during my research work, Dr. Mohan, Mr. Koiremba Singh, Mr. Vishal Patel, Mr. Abhishek Pathak, Mr. Yogesh (Delhi-6), Mr. Jigar Soni and Mr. Tushar Panot, Hitesh Raval, Timir, Jayshil, Tejas, Dharmesh. They have supported me morally, financially and have fed me when I was ravenous.

Where would I be without my family? My parents deserve special mention for their inseparable support and prayers. My **Mother & Father**, who put the fundamentals of my learning character, showing me the joy of intellectual pursuit ever since I was a child. My Mother is the one who sincerely raised me with her caring and gentle love. I owe so much to my loving brother **Dr. Krunal Prajapati** for his constant support throughout my research work. I express my deepest sentiments of affection and regards to them for whatever I'm today.

Words fail me to express my appreciation to my wife **Kinjal** whose dedication, love and persistent confidence in me, has taken the load off my shoulder.

Finally, I would like to thank everybody who directly or indirectly involved in the successful completion of this thesis, as well as expressing my apology that I could not mention personally one by one.

DHAVAL G. PRAJAPATI
