ACKNOWLEDGEMENT

I deem it a matter of great pleasure to express my profound indebtedness and gratitude to my esteemed guide Prof. Yogesh T. Jasrai, Professor, Department of Botany, (Presently, Head - Department of Botany, Gujarat University, Ahemdabad) for giving me invaluable and timely guidance and taking deep sustained interest through out the course of this work.

I am thankful to Prof. Arun Arya – Head, Department of Botany, The Maharaja Sayajirao University of Baroda and all staff members for providing me all necessary facilities and continuous support for the completion of this treatise.

My sincere thanks also go to my beloved family – My Mummy, Papa, my dearest sister and brother for their continuous encouragement, criticism and unconditional support to make me better and achieve my goals.

I express my sincere and special thanks to Miss Parul Joshi, Mr Premendra Sing Sisodia and Mr. Ankur Konnur for continuous support and help throughout the project work.

I express my gratitude towards my dearest friends Palak, Poorvy and Purav to stand by me and support me entire time of work. I also thank to my friends Binal, Vaishali, Hemal, Rohini, Sweta and Kalpana didi.

I am extremely thankful towards Mr. S. N. Tyagi IFS, Conservator of forests, Gujarat state for his continuous support and guidance during

the work. I also thank to all the staff members of Van Vibhag Vadodara for their support and providing me all the facilities for plant study and photography in the field.

I am thankful to everyone, who have helped me in whatsoever manner, since without their much needed assistance, I would have not been in a position to complete this work.

Finally, I thank 'GOD – The Almighty' for His kindness towards me and making me strong during entire work and come through all the odds and complete my work successfully.
