ACKNOWLEDGEMENTS

"**कर्मणयेवाधिकारस्ते मा फलेषु कदाचन !**" *The holy preachings of* ***Lord Krishna*** *are pertinent in all circumstances of an individual's life. It confers strength to move ahead in all dreadful and hurdled path without any fruitful expectations. With this notion, I walked through the journey of my Ph.D. which uplifted my spirits and made me stubborn to face the failures and overcome the hassles for successful accomplishment of my Ph.D. It is my heartfelt duty and merriment that I wish to take an opportunity to acknowledge one and all who have directly or indirectly contributed in making my journey successful.*

I offer my prayers to the god who gave me healthy life and senses to understand, execute and perform my tasks, will power and strength to achieve Ph.D. which was like a huge hurdle. I bestow my prayers to my Guru ***Thakur Sri Ramkrishna Paramhansa, Guru mata Maa Sarda Maa, Swami Vivekanand*** *whose preachings have always fostered me to move ahead in all the situations and becoming successful. Swami Vivekananda's quote "****Arise, Awake and Stop Not till the Goal is reached"*** *has always empowered me throughout my Ph.D. tenure. I also bow to* ***Sri Santram Maharaj*** *(Nadiad) for showering his blessings and teaching preachings of Ramayan for constant motivation.*

My journey of Ph.D. was like troughs and crest which could not have been straightened without the unwavering support of many of them. Among all, I am highly emotive with whole-hearted and indebted to acknowledge my respected guide ***Prof. Sarita Gupta.*** *Our bonding is very versatile both as a student and an employee. She always stood beside me during my Ph.D. tenure. She gave me the freedom to execute the project in my own way by rendering freedom to work. Her subjective and scientific knowledge on diabetes, metabolism, endocrinology and stem cell biology have tremendously refined my Ph.D. thesis. Her perception, view and critical scientific analysis have added scientific strength to my Ph.D. Despite of her extremely busy schedule, she patiently listened to my problems, findings, failures etc. She tolerated my tempo and always showered*

warmth, under any tensed condition. During thesis writing tenure her endurance, patience and caring nature have immensely motivated me for successful accomplishment of my Ph.D. thesis. Being my guide and boss she tried to balance everything and helped me out in all possible manner to achieve successful completion of Ph.D. She always trusted me, my skills and deeds. I thank you, madam for your motivation, appreciation, caring and scientific temperament throughout my tenure. I am highly inspired and impressed by your will power, woman empowerment and tacktfulness in multi-tasking potentials. I heartily thank you for everything.

I bestow and honour the torch bearer, ***Prof. C.V. Ramakrishnan*** *who has profoundly influenced my career. He has been a powerful source of motivation, inspiration and will power. He always prompted me to perform well in my all fields of life. He has always cheered and geared me up for successful completion of my Ph.D. He is an ideal workaholic persona who at the age of 93 keeps his spirit on and moves ahead. I salute you, sir and don't have words to express my feelings to acknowledge your contribution in successful accomplishment of my Ph.D. thesis. You have been the torch bearer who lit up the path in darkness. Sir, thank you so much for constantly motivating and advising me to complete my Ph.D. fast.*

I would like to extend my thanks to honorable Vice- Chancellor, ***Prof. Parimal Vyas, Registrar, Mr. N.K.Ojha, Prof. Prof. A.C. Sharma- Ex, Dean, Prof. Haribhai Kataria, current dean of Faculty of Science****, The Maharaja Sayajirao University of Baroda, Vadodara, for permitting to execute Ph.D. in Department of Biochemisty, Faculty of Science of this renowned university and helped me in availing all requisites for completion of Ph.D. I thank all the staff members of the university head office, Faculty of Science and library who have contributed in my Ph.D.*

I am privileged to thank my doctoral committee members ***Dr. Sharad Gupta*** *for his valuable discussions and inputs in my Ph.D. He has been calm and helpful. I thank him for his spending his valuable time and appreciation of my work. I thank* ***Prof. Vihas Vasu*** *who provided scientific inputs and motivated towards research. I thank* ***Prof. G.***

NareshKumar *for always being curious to know the basic science behind obesity and always induldge me and Mitul into scientific debates which have opened my mind to think and explore science. I thank you, sir for your motivation and valuable scientific insights. I thank* ***Prof. Rajesh Singh*** *who has always been supportive and depicted scientific interest. He always provided scientific inputs and advise during R&D.*

I acknowledge all the faculty members of Department of Biochemistry. I heartily thank ***Prof. Rasheedunnisa Begum*** *for always cheering me up and being supportive during my Ph.D. tenure. I thank* ***Dr. Laxmipriya Nampoothiri*** *for her taking care as a lab senior and her constant motivation throughout my Ph.D. I extend my thanks to* ***Prof. C. Ratnaprabha, Dr. Devesh Suthar, Dr. Shashikant Acharya, Dr. Jayshree Pohnekar, Dr. Ravi Vijayvargia*** *and* ***Dr. Sanjeev Upadhyay*** *for their valuable scientific inputs and critical analysis during my Ph.D.*

I am thankful to the ***Pethe sir*** *for his constant motivation, caring nature and tacktics for solving problems. I also thank* ***Akshita madam, Vyasbhai, Rameshbhai Kamle, Rameshbhai Nare, Saileshbhai, Manishbhai, Bhartiben, Anilbhai, Sandeepbhai and Balwantbhai*** *for their constant support and all help desired throughout my tenure and till date. I also thank* ***Rameshbhai Parmar, Vijaybhai and Narayanbhai*** *for their support and motivation.*

I thank CSIR, New Delhi to provide my CSIR-Fellowship for carrying out research in my Ph.D. I thank DST, DBT and CSIR to me for bestowing International travel award for presenting my poster in ***Keystone, Colorado, U.S.A. I thank M. S.University of Baroda*** *for providing award for Travel to attend conference in Thiruananthpuram.*

Ph.D. is a consortium and a dynamic social activity as it is a compilation of skills of versatile persona. My Ph.D. would not have been possible without persistent unwavering support of my loving lab mates who have made my life heaven during my Ph.D.

*I thank all the Lab seniors **Dr. Jyothi Maroo, Dr. Anil Pillai, Dr. Niraj Bhatt, Dr. Chirayu Pandya, Dr. Prakash Pillai and Dr. Sanket Soni** for their valuable contribution in my Ph.D.*

*I thank **Dr. Gitika Kharkwal** for her untiring motivation and inspiration. Your concern for me and completion of my Ph.D. has been a great value to me. I thank **Dr. Nidheesh Dadheech** for helping me to enter MSU and MESCRL. His words have motivated me for Ph.D.*

*I am highly thankful to **Dr. Tushar Patel** who always stood by my side in motivating towards Science. His zest for science inspired me. I thank him for pushing me towards Ph.D. and always boosted my self-confidence and inspired to move ahead during noxious tenure of my Ph.D. He made me realize that I had the power and skills to do Ph.D. He always took care of everyone and tried to solve all their problems. Tushar and **Krishma** I am always thankful to you for your constant support, care and motivation throughout my tenure.*

*I thank **Dr. Akhilesh Prajapati** who is a dashing young man. He has high spirits and always positively motivated me to successfully accomplish my Ph.D. We both shared a lot of time as comrade both in lab and CMB. We had wonderful time together, discussing science, social and spiritual matters. His words "If you leave the race, you are the loser" are still in my mind which always uplifts my spirit during my failures. You have inculcated power of endurance, calmness and value family. I thank you Akhilesh and Tushar for always being there throughout my tenure.*

*I extend thanks to **Dr. Muskaan Belani,** who has been an icon of inspiration. I have always observed her who kept her strength and will power to overcome all the difficulties. I am always inspired by her time management skills and focused nature. She has always cared and very valuable inputs have tremendously helped me throughout my Ph.D. tenure. Her critical scientific analysis has helped a lot during my Ph.D.*

*I thank from bottom of my heart to my best friend **Dr. Ragitha Chruvattil**, whose enduring and unwavering support, care and love has made me survive during my*

*failures and enigmatic situations. You have always been very close to me **Rags**. You have always stood by me in all the situations. Your scientific skills are philanthropic and your proficiency is commandable. You are an excellent scientist who has always motivated and pushed me towards my successful completion of my Ph.D. Your perfection and time management has always inspired me. I would never end thanking you and appreciating you for whatever you have done for me.*

***Dr. Abhay**, I specially thank you for your constant support, your valuable inputs, your skills and your critical scientific discussions and analysis. I thank you for extendending your all possible help in my tenure. You have always tolerated my mischievous behavior. Your calmness and perseverance have been true inspiration for me. You have been a great colleague and friend of mine during whole of my Ph.D. tenure.*

***Mitul Vakani, Vaka**, "my bael" who has always been together with me during my Ph.D. tenure. We always indulged in scientific discussions. I am impressed by you Mitul for your will power, scientific temperament, your zest towards scientific research and your will to extend help for each and everyone. Your kind nature and patience are adorable. I am highly motivated and I thank you for always supporting me. You have always tolerated my tempo and taught me how to be patient and calm during any situations. You have always maintained a healthy atmosphere in the lab. Thank you Mitul for all your help and support throughout my Ph.D. tenure.*

***Gaurav Chauhan,** a supersonic scientist. I appreciate his workaholic nature and his zest for science. Being a person of different science stream student, he has carried out outstanding research in prostate Biology. I am highly impressed by you Gaurav. You have always been helpful to me. Your valuable inputs, analysis, critical understanding and perception to solve the problems have always helped me. I specially thank you for teaching me basics of statistics and editing and designing my Ph.D. thesis. I thank you for being there always throughout my Ph.D. tenure and for your consistent support.*

***Gurprit Bhardwaj**, as her name suggests Guru ki Preet holds true for her. Her innocence, sweetness and charisma has been always inspiring. She has been very close to*

me and we have shared a valuable time together. I am highly motivated by you Guppi as you are an ideal illustration of calmness, perseverance and positive spirit. I love your melodious voice, your sense of humor and spirit to overcome any annoyances in life. I am always inspired for your proficiency and your zest I am highly thankful to you for sharing your scientific views, your suggestions and analytical support throughout my Ph.D. I heartily thank you for being patient and proofreading my thesis. Thank you Gurprit for always being there throughout my Ph.D.

Kishan Purohit, *who has been with me for two years. I have visualized a young and witty scientist in him. He has affirmative strength and will power. He is calm and cute. He has always been helpful to me. He has provided valuable scientific inputs and has always been there for positive scientific discussions. I thank you Kishan for being so caring and concerned for me. Your scientoon skills have always been appreciated. I am inspired by your courage to move ahead and solve any scientific mysteries. I express my deep gratitude for all your valuable help in my Ph.D. thesis. Thank you so much Kishan.*

Pankti Shah, *a smart and highly motivated girl. Since she has joined lab has always helped me and has actively participated in all scientific activities of lab. She has been an integral part of the lab and has mingled with every lab member. I heartily thank you for your valuable help in framing my Ph.D. thesis.*

I also extend thanks to all my dissertation students ***Vyakhaya, Kashish, Kishan and Neeta*** *for their tremendous efforts in accomplishing my all the objectives of Ph.D. Your scientific understanding, temperament to explore science and to fruitful execute them have motivated me throughout the tenure. I thank you and apologize all of you for tolerating my anger and understanding me throughout your stay with me.*

I thank all the dissertation students ***Niyati, Amrita, Avani, Shruti, Deep, Hemal, Steffi, Abhishek, Shubham, Ruchika, Affroz, Ashka*** *etc. for all your help, scientific discussions and positive atmosphere in the lab.* ***Rushab, Prachi and Hitendra****, current*

dissertation students and all other past dissertation and project trainees are highly acknowledged for contributing directly or indirectly in my Ph.D.

I thank all the research scholars of Department of Biochemistry for all their valuable help and support throughout my Ph.D.

My special thanks to ***Dr. Hiren Bhatt*** *and all the staff members of* ***Nishtha clinic, Vadodara*** *for their unwavering and persistent help in providing all the samples and their requisite information for successful accomplishment of my Ph.D. Your help has only made me successfully execute all the experiments throughout my Ph.D. Your support will always be highly appreciated and remembered. I acknowledge* ***Dr. Banker and Dr. Madhvi Gupta*** *of Bankers Heart Institute, Vadodara for helping in human ethical clearance.*

Dr. Vikram Sarabhai Institute of Cell and Molecular Biology, well known as CMB has been my second home and people in it are my family members. To begin with I would first ad formost acknowledge ***Poojaben,*** *without whom it was not possible for me to complete Ph.D. You have always been an elder sister and looked upon my success. You always pampered me and took all my responsibilities on your shoulder. I am highly obliged to you for your enormous concern and help. You have motivated me and always assured my capabilities for performing successful experiments of my Ph.D. I am deeply motivated and inspired by you. I thank you for everything you have done for me.*

I thank ***Manojbhai, Harsh, Dr. Heena Devikar, Heena Shaikh, Neelima, Preeti Yadav, Dr. Shradha , Dr. Vasudharini madam, Dr. Sindhura, Dr. Debjani, Dr. BhavaniShankar Sahu, Dr. Mayur Sahani, Jyotiben, Bhavikbhai, Chiragbhai etc.*** *for all your valuable help and support during my Ph.D. Your concern and extensive help has made me successful in accomplishment of Ph.D. I am highly thankful to* ***Pintubhai, Miteshbhai, Nileshbhai, Akshaybhai and Chandrakant bhai*** *for their kind and timely help throughout my Ph.D. tenure.*

My Ph.D. would have not been possible without unprecedented endurance, love and care of my family. I am deeply grateful towards my family. Blessings of my

grandparents and their teachings have fantabulously kept me on for successful completion of my Ph.D. ***Papa y****ou have been always supportive and always took pride in whatever I did. I always felt your warmth and gladness for me being Dr. Komal* ***Nalinkant*** *Rawal. I don't have any words to express my deep gratitude and prayers to* ***mummy.*** *You always stood beside me throughout my life. You garnished my life full of love and care. Your true spirits, motivation and imparing strength to move ahead during my Ph.D. have always uplifted my spirit to accomplish my Ph.D. Whatever I have achieved today is all because of you mummy. I cannot express my feelings at this moment. My* ***Pankaj Kaka*** *has always been caring, motivating and critical in examining my progress in Ph.D. His concern for my Ph.D. has instilled power in me to execute my Ph.D. successfully. My* ***Ramila Kaki*** *has always showed her motherly love and cared endlessly. She has been a true mother who is always tensed for their kids. I thank you both kaka and kaki for being integral part of my Ph.D. I extend thanks to my loving sister* ***Dhari and brother Vatsal****, who have showered their love, concern and gladness. They are my precious gem who have always motivated me. Vatsal specially you have tolerated my anger a lot but you always managed every matter skillfully. Our quarrels and arguments have made us more close. Special thanks to* ***Rishi Jijaji, Hemlata aunty and Narhari uncle*** *for their love and extensive help for providing me the new house where actually I wrote whole of my thesis. I cannot express my thanks to you all for your valuable and timely help. A special thanks to* ***Harshad Dada, Prabha Baa, Ila ben and family and Kaduben and family*** *for their consistent support and motivation.*

Special thanks to ***Preeti madam and Sandeep sir*** *for showering all your love, concern, gladness, confidence and appreciation on me. You have been a persistently motivated and cared like a little sister and always looked upon my successful career and life. I am highly grateful to you both for your never ending love.*

I extend deep gratitude to all my loving friends ***Bhau, Janu, Kruti, Janki, Tanvi, Parth Pandya, Ketan, Sejal Purani*** *who have always helped and exhibited concerns for me. Bhau and Janu have always been motivative, concerned, loving and caring throughout my Ph.D. You have always rendered warmth and motivated me for successful*

accomplishment. You have tolerated all my frustrations and anger during my bad times. I am highly thankful to you and have no words to express my deep feelings.

I thank one and all who have meticulously helped and contributed me towards successful accomplishment of my Ph.D.

KOMAL RAWAL
