LIST OF PAPERS PRESENTED IN CONFERENCES

1. **Subramanian N,** Hari vardhan Reddy L and Murthy RSR. Study on in-vitro steric stabilization effect of various anticancer liposomal formulations using electrolyte induced flocculation technique. Presented in 54th Indian Pharmaceutical Congress, 2002, Abstract No. A-3.
2. **Subramanian N,** Arulsudar N, Mishra P, Sharma RK and Murthy RSR. Preparation, biodistribution and tumor uptake study of Tamoxifen loaded long circulating liposomes. Presented in 'GUJCOST" - Gujarat state level paper competition, 2003. **Won 2nd Prize for presentation.**
3. **Subramanian N,** Arulsudar N, Mishra P, Chuttani K, Sharma RK and R.S.R. Murthy. Radiolabeling, biodistribution and tumor uptake study of Tamoxifen loaded sterically stabilized liposomes. Presented in XXIV Annual conference of Indian Association of Biomedical Scientists, 2003. **Won Best Paper award.**
4. **Subramanian N,** Arulsudar N, Mishra P, Sharma RK and R.S.R. Murthy. Biodistribution and tumour uptake studies of ^{99m}Tc labeled cytarabine loaded long circulating liposomes. Accepted for presentation in Indian Pharmaceutical Congress, Chennai, 19th -21st December, 2003. Abstract No. A-1.
