ACKNOWLEDGEMENT

I take this opportunity to record my deep sense of gratitude towards Dr. B.K. Passi under whose inspiring guidance I had the privilege to work. He not only furnished the early proddings to get the study going but guided it to completion by providing insights and suggestions from his vast research experience. But for his concrete help the present study would not have been completed in the stipulated time.

I am thankful to Prof. M.B. Buch, Head, Centre of Advanced Study in Education, Baroda for offering me a teacher fellowship at the CASE and providing an atmosphere conducive to academic endeavor. Dr. (Smt.) Chitra Naik, Director of Education, Maharashtra State was kind enough to grant me study leave to avail of this rare opportunity to work at the CASE, the only Centre of its kind in India. I record my appreciation for the friendly gesture and help rendered by Dr. M.S. Yadav and Dr. M.N. Palsane.

I express my sincere thanks to all those who helped me in completing my study directly or indirectly. I am indebted to the innumerable authors and research workers for having taken the liberty to draw freely on their sources either published or unpublished.
