I take this opportunity to express my grateful thanks to Prof. S.M.Sethna, M.Sc., Ph.D., Head, Department of Chemistry, M.S.University of Baroda, Baroda-2 for providing necessary laboratory facilities to carry out this work.

I am thankful to Dr. S.S.Lele, M.Sc., Ph.D., Reader, Analytical Chemistry (Micro-analysis) for analysing the compounds isolated. I also wish to express my sincere appreciation to all my friends and colleagues especially Mr. M.V.Reddy and Mr. M.V.Chidambaram, Research Scholars in Inorganic Chemistry for their ungrudging help and excellent cooperation which they so readily offered during the entire period of the investigation.

The financial assistance received from the University Grants Commission, New Delhi is thankfully acknowledged.

Words fail me as I wish to express my indebtedness and deep sense of gratitude to Dr. P.K.Bhattacharya, M.Sc., Ph.D., Reader, Inorganic Chemistry, M.S.University of Baroda, Baroda-2 for suggesting and taking keen interest in the problem and for his valuable guidance throughout the progress of this investigation.
