Acknowledgment

Completion of this doctoral work was possible only with the support of several people. Well, the list of people will not be accommodated in this page of acknowledgement. I would mention appreciation of those people whose contribution was obvious.

Finishing PhD thesis was s challenging task of my life. The best and worst moments of the doctoral journey was shared with many people around me. I am thankful to the Department of Chemistry, Faculty of Science for allowing me to work and providing the research facilities.

First and foremost, I offer my thanks to my guide Dr. Hemant Soni for helping, guiding and patiently supporting me throughout my doctoral programme. I am grateful to our Head Prof. Ashutosh Bedekar for extending his help whenever we needed. I take this as a great opportunity to express my indebt thanks to all faculty members who have helped me in this course of time. I owe a lot to Prof. B. V. Kamath former head, for this achievement. My sincere appreciation goes to former Head Prof. N. D. Kulkarni and Prof. Anjali Patel for their generous support throughout this work.

I would also like to extend my thanks to Prof. S. R. Shah, Prof. P. T. Deota, Prof. R. C. Tandel (Head, Applied Chemistry, Faculty of Technology and Engineering), Prof. Debjani, Prof. Prakash Samnani, Prof. P. Padmaja, Prof. Vinay Singh, Prof. Bhavana Trivedi, Prof. Ashish Prajapati, Prof. Prasanna, Dr. Ajmeri, Dr. Sonal Thakore, Dr. Arun Patel, Dr. Arpita and all the faculty members for their kindness and support.

I am very much thankful to Alembic Pharmaceuticals Ltd. for allowing me to pursue PhD.

I shall ever, remain indebted to all my present and former teachers, to all known and unknown people who have enlightened me with their knowledge.

I am thankful to CSMCRI, Bhavnagar and MNIT, Jaipur for helping me carrying out all the analysis.

Special thanks to Himanshu, Neelam, Shirish, Sudhir, Varsha, Ajay, Hiten, Dr. Niken and many more. I am thankful to my colleagues at Alembic Research Centre.

This achievement would not have been possible without persistent moral support, encouragements and research inputs of my wife Dr. Ekta.

My sixteen-year-old daughter Sachika has always been my constant inspiration and had always supported me through my hectic schedule.

I wish to express my heartfelt thanks to my mother, father and my sister Amrita who has always been my driving force.

My heartfelt regards go to my mother-in-law, father-in-law and brother-in-law Yatrik for providing their unconditional support.
