A C K N O W L E D G E M E N T

The author takes this opportunity to acknowledge gratefully his indebtedness to Prof. J.S.Dave for suggesting the problem, helpful guidance and critical suggestions during the various phases of this investigation.

He further records his sense of thankfulness to Prof. S.M.Sethna for his keen interest and encouragement during the course of this work, to Dr.S.S.Lele for the microanalysis of the compounds and to his colleagues for their help and kind suggestions from time to time.

He is also thankful to The Council Of Scientific And Industrial Research, New Delhi (India) for the award of Junior Research Fellowship.

INFLUENCE OF MOLECULAR STRUCTURE ON LIQUID CRYSTALLINE PROPERTIES AND PHASE TRANSITIONS IN THESE STRUCTURES
