1. Introduction 1

1.1 Introduction 1

1.2 Endemism 3

1.2.1 Categories of endemism based on the range of occurrence 4

1.3 Threatened species 6

1.4 Conservation 8

1.4.1 In-situ conservation 10

1.4.2 Ex-situ conservation 11

1.5 Study area 11

1.5.1 Climate 12

1.6 Objectives 17

2. Review of literature 18

2.1 Introduction 18

2.2 Work done in India 19

2.2.1 Studies on plant endemism in India 21

2.2.2 Studies on threatened plants of India 21

2.3 Work done in Gujarat 22

2.3.1 Historical survey on vascular plant studies 23

3. Methodology 31

3.1 Inventory of regional and Indian endemic plants in Gujarat 31

3.1.1 Distribution database of endemic and threatened species in Gujarat 31

3.1.2 Field visits 32

3.1.3 Local Workshops 33

3.1.4 Preparation of herbarium 34

3.1.5 Authentication of herbarium 34

3.2 Preparation of the inventory ……..... 35
3.3 Assessment strategy applying the IUCN Red List Categories and Criteria system …….. 36
3.3.1 A general account on the categories and criteria of threatened plants and categories of endemic plants ……. 37
3.3.2 IUCN Red List categories (version 3.1) ……... 37
3.3.3 IUCN Red List criteria (version 3.1) …… 39
3.3.4 Application of IUCN criteria at regional level …….. 39
3.3.5 Adjustments to categories …… 40
3.4 Red Listing Process …… 42
3.4.1 IUCN Species Information Service (SIS) …… 42
3.4.2 Mapping the Extent of Occurrence (EOO) and Area of Occupancy (AOO).. 46
3.4.3 Mapping the number of locations ……... 46
3.4.2 AOO Density ……..... 47
3.5 Conservation ……... 47

4. Status of regionally endemic and Indian endemic species occurring in Gujarat
4.1 Introduction …….. 49
4.2 Observations and discussion ……..... 50
4.2.1 Regionally endemic species ……..... 50
IUCN Red List Assessments
4.2.1.1 *Tephrosia jamnagarensis* …….. 51
4.2.1.2 *Helichrysum cutchicum* ……... 55
4.2.1.3 *Tamarix kutchensis* ……... 61
4.2.1.4 *Rorippa cochlearioides* ……. 64
4.2.1.5 *Ischaemum sayajiraoi* ……... 67
4.2.1.6 *Spodiopogon aristatus* …….. 70
4.2.2 Endemic angiosperms of India found in Gujarat ……... 73
4.2.2.1 Araceae …… 73
Amorphophallus commutatus …… 73
Arisaema murrayi ……. 74

4.2.2.2 Amaryllidaceae …….. 76
Crinum brachynema ……. 76
Pancratium parvum …….. 77
4.2.2.3 Asparagaceae ……. 78
Chlorophytum borivilianum ……... 78
Chlorophytum malabaricum ……... 80
4.2.2.4 Orchidaceae …… 81
Aerides maculosa …….. 81
Dendrobium barbatulum ……. 82
Dendrobium microbulbon ……... 83
Dendrobium ovatum …… 84
Eulophia ochreata …….. 85
Habenaria foliosa …….. 86
Habenaria grandifloriformis …….. 87
Habenaria longicorniculata …… 88
Peristylus stocksii …… 89
4.2.2.5 Cyperaceae ……... 90
Fimbristylis lawiana ……... 90
Fimbristylis woodrowii …….. 91
Fuirena tuwensis ……. 92
Pycreus malabaricus ……... 93
Scleria stocksiana ……. 94
4.2.2.6 Eriocaulaceae …… 95
Eriocaulon cuspidatum …….. 95
Eriocaulon elenorae ……..... 96
4.2.2.7 Poaceae …….. 97
Arthraxon inermis ……... 97
Arthraxon meeboldii …….. 98
Arundinella ciliata …….. 99
Arundinella metzii …….. 99
Arundinella tuberculata ……. 100

Capillipedium filiculme …….. 101
Capillipedium huegelii ……... 102
Coelorachis clarkei …….. 103
Cymbopogon gidarba ……. 103
Dimeria stapfiana …… 104
Glyphochloa forficulata …….. 105
Heteropogon ritchiei ……... 106
Isachne elegans …… 107
Ischaemum bombaiense ……. 107
Ischaemum diplopogon …….. 108
Ischaemum santapaui ……. 108
Iseilema anthephoroides …… 109
Lophopogon tridentatus ……. 110
Parahyparrhenia bellariensis …… 110
Spodiopogon rhizophorus ……. 111
Trilobachne cookie …….. 112
Triplopogon ramosissimus …… 113
Tripogon jacquemontii …… 113
Tripogon lisboae …….. 114
4.2.2.8 Zingiberaceae ……... 115
Curcuma decipiens …….. 115
Curcuma inodora ……. 116
Curcuma pseudomontana …….. 117
Zingiber nimmonii …….. 118
4.2.2.9 Ranunculaceae ……. 119
Clematis hedysarifolia …… 119
Clematis heynei ……... 120
4.2.2.10 Begoniaceae …….. 121
Begonia crenata …… 121
4.2.2.11 Cucurbitaceae ……... 122
Corallocarpus conocarpus …….. 122

Solena amplexicaulis ……... 123
4.2.2.12 Fabaceae …… 124
Alysicarpus hamosus …….. 124
Alysicarpus pubescens ……... 126
Bauhinia foveolata ……... 127
Cajanus sericeus ……... 128
Clitoria annua ……... 129
Crotalaria filipes …….. 131
Crotalaria filipes var. *trichophora* …… 132
Crotalaria leptostachya ……... 133
Crotalaria notonii ……. 134
Crotalaria pusilla ……. 135
Crotalaria vestita …….. 136
Desmodiastrum belgaumense ……... 137
Desmodiastrum racemosum var. *rotundifolium* …… 137
Flemingia tuberosa …….. 138
Geissaspis tenella ……. 139
Hardwickia binata ……... 140
Indigofera angulosa …… 141
Indigofera coerulea var. *monosperma* ……. 142
Indigofera uniflora …….. 145
Mimosa prainiana …… 145
Pterocarpus marsupium subsp. *acuminatus* ……... 146
Senna montana ……. 147
Sesbania procumbens …….. 148
Smithia setulosa ……... 148
Tephrosia collina ……. 149
Vigna khandalensis ……. 151
4.2.2.13 Euphorbiaceae …… 152
Acalypha malabarica …….. 152
Euphorbia coccinea ……. 153

Euphorbia deccanensis ……... 153
Euphorbia elegans …….. 154
Euphorbia perbracteata …….. 155
Euphorbia pycnostegia …….. 156
Euphorbia pycnostegia var. *zornioides* …….. 157
Euphorbia sebastinei …….. 158
Homonoia retusa ……. 158
Mallotus polycarpus ……... 159
4.2.2.14 Malpighiaceae …… 160
Aspidopterys cordata …….. 160
4.2.2.15 Phyllanthaceae ……... 174
Phyllanthus lawii ……..... 174
4.2.2.16 Salicaceae …… 175
Flacourtia montana …… 175
4.2.2.17 Rhamnaceae ……
176
Ziziphus caracutta ……... 176
Ziziphus horrida ……..... 177
Ziziphus williamii ……..... 178
4.2.2.18 Cleomaceae ……. 179
Cleome simplicifolia …… 179
4.2.2.19 Malvaceae ……... 180
Abelmoschus tuberculatus var. *deltoidefolius* ……... 180
Erinocarpus nimmonii …… 181
Eriolaena stocksii ……. 182
4.2.2.20 Combretaceae ……. 183
Anogeissus sericea var. *nummularia* …… 183
Anogeissus sericea ……... 185
4.2.2.21 Lythraceae …….. 186
Ammannia nagpurensis ……. 186
Lagerstroemia microcarpa ……. 187

4.2.2.22 Myrtaceae ……... 188
Syzygium salicifolium ……..... 188
4.2.2.23 Burseraceae ……. 190
Boswellia serrata …….. 190
4.2.2.24 Amaranthaceae …….. 192
Achyranthes coynei ……. 192
4.2.2.25 Loranthaceae …….. 193
Dendrophthoe falcata var. *coccinea* …….. 193
4.2.2.26 Balsaminaceae …… 194
Impatiens minor ……... 194
4.2.2.27 Boraginaceae …….. 195
Adelocaryum coelestinum ……. 196
Cordia domestica ……. 197
4.2.2.28 Apocynaceae …….. 198
IUCN Red List Draft Assessment of Ceropegia odorata …….. 198
Sarcostemma intermedium …… 203
Hemidesmus indicus var. *pubescens* ……... 204
Heterostemma dalzellii …….. 205
Tylophora dalzellii …….. 206
Wrightia dolichocarpa …… 207
4.2.2.29 Gentianaceae …….. 210
Exacum pumilum …… 210
Swertia minor ……... 211
4.2.2.30 Rubiaceae …… 212
Ixora brachiata ……. 212
Pavetta crassicaulis ……. 214
4.2.2.31 Acanthaceae ……
215
Barleria cuspidata …… 215
Barleria gibsonii ……... 215
Barleria lawii ……... 216

Barleria prattensis ……... 217
Cynarospermum asperrimum ……... 219
Dyschoriste vagans …….. 220
Eranthemum roseum …….. 221
Haplanthodes neilgherrensis ……. 222
Haplanthodes tentaculatus …… 223
Haplanthodes verticillatus ……. 225
Hygrophila serpyllum …… 226
Justicia neesii …… 227
Justicia orbiculata …… 228
Neuracanthus sphaerostachys ……... 229
Neuracanthus tetragonostachyus subsp. *trinervius* ……..... 230
Rungia elegans ……. 231
Strobilanthes callosa …… 232
Thelepaepale ixiocephala ……... 234
4.2.2.32 Bignoniaceae …….. 235
Dolichandrone atrovirens …….. 235
Dolichandrone falcata ……..... 236
Heterophragma quadriloculare ……..... 237
Radermachera xylocarpa ……..... 239
4.2.2.33 Lamiaceae ……... 240
Anisomeles heyneana ……..... 240
Lavandula bipinnata ……..... 241
Nepeta bombaiensis ……..... 242
4.2.2.34 Oleaceae …….. 243
Jasminum malabaricum …….. 243
4.2.2.35 Convolvulaceae …….. 244
Argyreia boseana ……. 244
Argyreia sericea ……... 245
Merremia rajasthanensis ……..... 246
Merremia rhynchorrhiza ……..... 247

4.2.2.36 Solanaceae ……... 248
Solanum hovei ……..... 248
Solanum purpureilineatum ……..... 249
4.2.2.37 Apiaceae …….. 250
Pimpinella adscendens ……... 250
Pimpinella tomentosa ……..... 251
Pimpinella wallichiana ……... 252
4.2.2.38 Asteraceae ……... 252
Artemisia nilagirica ……..... 253
Phyllocephalum scabridum ……..... 253
Blumea belangeriana ……..... 254
Blumea eriantha ……... 255
Blumea malcolmii ……... 257
Goniocaulon indicum ……..... 258
Pulicaria wightiana ……..... 259
Senecio bombayensis ……..... 260
Senecio dalzellii ……... 261
Tricholepis amplexicaulis ……..... 262
Tricholepis glaberrima ……... 263

5. Status of other indigenous taxa threatened in Gujarat ……..... 254
5.1 Introduction ...……. 254
5.2 Observations and discussion ...…… 255
5.2.1 *Bauhinia vahlii* ……. 255
5.2.2 *Begonia picta* …… 256
5.2.3 *Bombax ceiba* (yellow flowered) ……... 258
5.2.4 *Bombax insigne* …… 259
5.2.5 *Bruguiera cylindrica* …… 261
5.2.6 *Butea monosperma* (yellow flowered) …….. 262
5.2.7 *Campylanthus pungens* ……... 264
5.2.8 *Cansjera rheedei* ……... 266

5.2.9 *Cometes surrattensis* …… 268
5.2.10 IUCN assessment of *Commiphora stocksiana* ……... 269
5.2.11 *Dactyliandra welwitschii* ……. 275
5.2.12 *Drosera indica* …….. 276
5.2.13 *Entada rheedii* ……... 278
5.2.14 *Eriolaena candollei* ……... 280
5.2.15 *Excoecaria agallocha* …… 282
5.2.16 *Falconeria insignis* ……... 283
5.2.17 *Indigofera coerulea* var. *coerulea* ……. 285
5.2.18 *Ipomoea kotschyana* ……. 287
5.2.19 *Lumnitzera racemosa* ……... 289
5.2.20 *Microchirita hamosa* ……. 290
5.2.21 *Olax nana* ……. 291
5.2.22 *Sterculia guttata* …….. 293
5.2.23 *Talinum portulacifolium* ……. 295
5.2.24 *Tolypanthus laginifer* ……... 297

6. Conservation practices and awareness activities ……. 298
6.1 Introduction …… 298
6.2 Observations and Discussion ……...
298
6.3 Awareness on endemic and threatened plants of Gujarat …….. 302

7. Discussion ……. 308
