General Introduction	1
PART I	
Synthesis of some Iodo-chromones and -flavones	
Section (i)	
Iodination of some chromones and flavones	
Theoretical	32
Experimental	49
Section (ii)	
Kostanecki-Robinson Acylation of some Iodo-derivatives of 2,4-and 2,6-Dihydroxyacetophenone	
Theoretical	75
Experimental	88
PART II	
Synthesis of some Cyano-chromones and -flavones	
Section (i)	
Rosenmund-von Braun reaction on some Iodo-chromones and -flavones	
Theoretical	113
Experimental	126
Section (ii)	
Kostanecki-Robinson acylation of some Cyano-derivatives of 2-hydroxy-4-methoxyacetophenone	
Theoretical	148
Experimental	155
PART III	
Ullmann reaction on some Iodo-chromones and -flavones	
Theoretical	165
Experimental	182
PART IV	
Chloromethylation of some Chromones and flavones	
Theoretical	190
Experimental	207
SUMMARY	224
