CONTENTS

	Page
Chapter I	
Introduction	1
Chapter II	
Iodination of some flavones and flavanones.	
Theoretical	17
Experimental	37
Chapter III	
Chloromethylation of some flavones and flavanones	
Theoretical	58
Experimental	81
Chapter IV	
Biflavonyls	
Theoretical	97
Experimental	109
Chapter V	
Synthesis of some cyano-flavones	
Theoretical	116
Experimental	125
Chapter VI	
Beckmann rearrangement of the oximes of some C-acylflavones	
Theoretical	133
Experimental	142
Summary	151
