

LIST OF TABLES

<u>Table No.</u>		<u>Page No.</u>
1.1	Population Projections 1970-1981	11
1.2	The Budget of the Ministry of Education and the Ministry of the Interior (for Primary Education) during the year 1977-1981	22
1.3	The Administrative Region of Thailand 1980-1981	25
1.4	The ratios of the students grade 1 and grade 1-6 to the total population of Thailand in 1970-1981	36
3.1	Number and Percentage of Selected Schools from Each Regions of Bangkok Area	144
3.2	The Break-up of the Stratified Sample according to different Regions and Types of Schools	144
3.3	The Break-up of the Stratified Sample according to different Sizes of Schools in Different Regions	146
3.4	The Break-up of the Stratified Sample according to different Shift of Schools in different Regions	146
3.5	The Break-up of the Sampled Respondent Teachers according to their Sex and different Regions	148

<u>Table No.</u>		<u>Page No.</u>
3.6	The Break-up of the Sampled Respondent Teachers According to different Age Groups and different Regions	149
3.7	The Break-up of the Sampled Respondent Teachers according to different Qualifications and different Regions	149
3.8	The Break-up of the Sampled Respondent Teachers according to different Years of Experiences in different Regions	150
3.9	Number of Items in Each Dimensions in Each Tools	154
4.1	Illustration of how the School Stanine Score of the School No.1 is obtained	176
4.2	Classification of 100 Primary Schools of all the Four Regions of Bangkok area according to Closed, Intermediate and Open Climate Types	177
4.3	Percentage Distribution of Three Climate Type Schools in the North, South, East and West Regions	184
4.4	Comparison of Component-wise Organizational Climate of Schools according to different Regions of schools (North, South, East and West Regions) of Bangkok area	192
4.5	Comparison of Component-wise Organizational Climate of Schools according to different Type of schools (Government Schools and Municipal Schools) of Bangkok area	196

<u>Table No.</u>		<u>Page No.</u>
4.6	Comparison of Component-wise Organizational Climate of Schools according to different Size of Schools (small, average and big schools) of Bangkok area	199
4.7	Comparison of Component-wise Organizational Climate of Schools according to different Shift of Schools (one shift and two shift schools) of Bangkok area	203
4.8	Comparison of Component-wise Organizational Climate of Schools according to different Sex of School Principals (Headmaster or Headmistress - unmarried or married) of Bangkok area	205
4.9	Comparison of Component-wise Organizational Climate of Schools according to different Age of School Principals of Bangkok area	209
4.10	Comparison of Component-wise Organizational Climate of Schools according to different Qualification of School Principals of Bangkok area	212
4.11	Comparison of Component-wise Organizational Climate of Schools according to Working Experience of School Principals of Bangkok area	218
4.12	Distribution of Items in the PTO	224
4.13	Distribution of total Thai PTO Standard Scores, Frequency of Schools possessing the Morale categories and Percentages of Schools figuring in the three types of Morale	226

<u>Table No.</u>		<u>Page No.</u>
4.14	Significance of difference between Component-wise Teacher Morale of different Regions of Schools (North, South, East and West Regions) of Bangkok area	233
4.15	Significance of difference between Component-wise Teacher Morale of different Sizes of Schools (small, average and big schools) of Bangkok area	242
4.16	Significance of difference between Component-wise Teacher Morale of different Types of Schools (Government Schools and Municipal Schools) of Bangkok area	246
4.17	Significance of difference between Component-wise Teacher Morale of different Shift of Schools (one shift and two shift schools) of Bangkok area	248
4.18	Significance of difference between Component-wise Teacher Morale of different Sex of School Principals (Headmaster or Headmistress - unmarried or married) of Bangkok area	251
4.19	Significance of difference between Component-wise Teacher Morale of Age of School Principals of Bangkok area	253
4.20	Significance of difference between Component-wise Teacher Morale of different Qualification of School Principals of Bangkok area	256

<u>Table No.</u>		<u>Page No.</u>
4.21	Significance of difference between Component-wise Teacher Morale of different Working Experience of School Principals of Bangkok area	261
4.22	Quadrant Scheme-wise Analysis of the Behaviour Patterns of the Principals of Sampled Schools	268
4.23	The Percentage of the School Principals possessing the Leadership Behaviour Pattern (HH, HL, LH and LL patterns) according to the different Regions of Bangkok area	273
4.24	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Regions of Schools (North, South, East and West Regions) of Bangkok area	278
4.25	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Sizes of Schools (small, average and big schools) of Bangkok area	281
4.26	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Types of Schools (Government Schools and Municipal Schools) of Bangkok area	284
4.27	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Shift of Schools (one shift and two shift schools) of Bangkok area	286

<u>Table No.</u>		<u>Page No.</u>
4.28	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Sex (Headmaster or Headmistress - unmarried or married) of Bangkok area	287
4.29	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Age of Bangkok area	289
4.30	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Qualification of Bangkok area	290
4.31	Comparison of Dimension-wise Leadership Behaviour of School Principals according to different Working Experience of Bangkok area	294
4.32	Percentage-wise Distribution of Schools following in all Climate types according to the Four Patterns of Leadership Behaviour of Sampled Schools	297
4.33	Mean-scores of the Organizational Climate Dimensions compared between the 'Open Climate' and the 'Closed Climate'	303
4.34	Frequency of Morale Scores of Primary Schools Grouping into Stanine	307
4.35	Frequency Distribution of Primary Schools into Morale categories on the Stanine	309

<u>Table No.</u>		<u>Page No.</u>
4.36	Organizational Climate Vs Teacher Morale	310
4.37	Inter-Relationship among Organizational Climate, Teacher Morale and Leadership Behaviour of Primary Schools in Bangkok area in percentage obtained	314
5.1	Correlation Matrix Items (24 x 24)	323
5.2	Original Principle Component Factor Matrix (24 x 8)	324
5.3	Original Principle Component Factor Matrix (12 x 5)	326
5.4(a)	Rotated Factor Matrix	327
5.4(b)	Rotated Factor Matrix	329
5.5	Varimax Factor I	331
5.6	Varimax Factor II	332
5.7	Varimax Factor III	334
5.8	Varimax Factor IV	336
5.9	Varimax Factor V	337
5.10	Varimax Factor VI	339

<u>Table No.</u>		<u>Page No.</u>
5.11	Varimax Factor VII	340
5.12	Varimax Factor VIII	341
5.13	Varimax Factor I	344
5.14	Varimax Factor II	345
5.15	Varimax Factor III	346
5.16	Varimax Factor IV	347
5.17	Varimax Factor V	348
