

LIST OF TABLES

Table No.	Title of the tables	Page No.
3.1	Sample of students.	52
3.2	Sample of school principals, teachers, parents.	52
3.3	Factor-wise distribution of statements related to education in private coaching classes. (Tool for students)	57
3.4	Factor-wise distribution of statements related to education in schools. (Tool for students)	58
3.5	Factor-wise distribution of statements related to education in schools. (Tool for school principals & teachers)	60
3.6	Factor-wise distribution of statements related to education in private coaching classes. (Tool for school principals and teachers)	60
4.1	Mean, SD and 't' value for the perception of all students for all factors.	67
4.2	Mean, SD and 't' value for the perception of all students for quality of teachers.	68
4.3	Mean, SD and 't' value for the perception of all students for the factor quality of teaching.	69
4.4	Mean, SD and 't' value for the perception of all students for facilities available.	70
4.5	Mean, SD and 't' value for the perception of all students for discipline.	71
4.6	Mean, SD and 't' value for the perception of all students for contribution for the development of pupils.	72
4.7	Mean, SD and 't' value for the perception of english medium students for all factors.	73

Table No.	Title of the tables	Page No.
4.8	Mean, SD and 't' value for the perception of english medium students for quality of teachers.	74
4.9	Mean, SD and 't' value for the perception of english medium students for quality of teaching.	75
4.10	Mean, SD and 't' value for the perception of english medium students for facilities available.	76
4.11	Mean, SD and 't' value for the perception of english medium students for discipline.	77
4.12	Mean, SD and 't' value for the perception of english medium students for contribution for development of pupils.	78
4.13	Mean, SD and 't' value for the perception of gujarati medium students for all factors.	79
4.14	Mean, SD and 't' value for the perception of gujarati medium students for the quality of teachers.	80
4.15	Mean, SD and 't' value for the perception of gujarati medium students for quality of teaching.	81
4.16	Mean, SD and 't' value for the perception of gujarati medium students for facilities available.	82
4.17	Mean, SD and 't' value for the perception of gujarati medium students for discipline.	83
4.18	Mean, SD and 't' value for the perception of gujarati medium students for contribution for development of pupils.	84
4.19	Mean, SD and 't' value for the perception of boys for all factors.	85
4.20	Mean, SD and 't' value for the perception of boys for quality of teachers.	86

Table No.	Title of the tables	Page No.
4.21	Mean, SD and 't' value for the perception of boys for quality of teaching.	87
4.22	Mean, SD and 't' value for the perception of boys for facilities available.	88
4.23	Mean, SD and 't' value for the perception of boys for discipline.	89
4.24	Mean, SD and 't' value for the perception of boys for contribution for development of pupils.	90
4.25	Mean, SD and 't' value for the perception of girls for all factors.	91
4.26	Mean, SD and 't' value for the perception of girls for quality of teachers.	92
4.27	Mean, SD and 't' value for the perception of girls for quality of teaching.	93
4.28	Mean, SD and 't' value for the perception of girls for facilities available.	94
4.29	Mean, SD and 't' value for the perception of girls for discipline.	95
4.30	Mean, SD and 't' value for the perception of girls for contribution for the development of pupils.	96
4.31	Mean, SD and 't' value for the perception of X std for all factors.	97
4.32	Mean, SD and 't' value for the perception of of X std. students for quality of teachers.	98
4.33	Mean, SD and 't' value for the perception of X std. for quality of teaching.	99
4.34	Mean, SD and 't' value for the perception of X std. students for facilities available.	100
4.35	Mean, SD and 't' value for the perception of X std. students for discipline.	101

Table No.	Title of the tables	Page No.
4.36	Mean, SD and 't' value for the perception of X std. students for contribution for the development of pupils.	102
4.37	Mean, SD and 't' value for the perception of XII std for all factors.	103
4.38	Mean, SD and 't' value for the perception of XII std. students for quality of teachers.	104
4.39	Mean, SD and 't' value for the perception of XII std. students for quality of teaching.	105
4.40	Mean, SD and 't' value for the perception of XII std students for facilities available.	106
4.41	Mean, SD and 't' value for the perception of XII std. students for discipline.	107
4.42	Mean, SD and 't' value for the perception of XII std. students for contribution for development of pupils.	108
4.43	Mean, SD and 't' value for the perception of commerce students for all factors.	109
4.44	Mean, SD and 't' value for the perception of commerce students for quality of teachers.	110
4.45	Mean, SD and 't' value for the perception of commerce students for quality of teaching.	111
4.46	Mean, SD and 't' value for the perception of commerce students for facilities available.	112
4.47	Mean, SD and 't' value for the perception of commerce students for discipline.	113
4.48	Mean, SD and 't' value for perception of commerce students for contribution for the development of pupils.	114

Table No.	Title of the tables	Page No.
4.49	Mean, SD and 't' value for the perception of science students for all factors.	115
4.50	Mean, SD and 't' value for the perception of science students for quality of teachers.	116
4.51	Mean, SD and 't' value for the perception of science students for quality of teaching.	117
4.52	Mean, SD and 't' value for the perception of science students for facilities available.	118
4.53	Mean, SD and 't' value for the perception of science students for discipline.	119
4.54	Mean, SD and 't' value for the perception of science students for contribution for development of pupils.	120
4.55	Mean, SD and 't' value for the perception of High SES students for all factors.	121
4.56	Mean, SD and 't' value for the perception of High SES students for quality of teachers.	122
4.57	Mean, SD and 't' value for the perception of High SES students for quality of teaching.	123
4.58	Mean, SD and 't' value for the perception of High SES students for facilities available.	124
4.59	Mean, SD and 't' value for the perception of High SES students for discipline.	125
4.60	Mean, SD and 't' value for the perception of High SES students for contribution for development of pupils.	126
4.61	Mean, SD and 't' value for the perception of average SES students for all factors.	127

Table No.	Title of the tables	Page No.
4.62	Mean, SD and 't' value for the perception of average SES students for quality of teachers.	128
4.63	Mean, SD and 't' value for the perception of average SES students for quality of teaching.	129
4.64	Mean, SD and 't' value for the perception of average SES students for facilities available.	130
4.65	Mean, SD and 't' value for the perception of average SES students for discipline.	131
4.66	Mean, SD and 't' value for the perception of average SES students for contribution for development of pupils.	132
4.67	Mean, SD and 't' value for the perception of low SES students for all factors.	133
4.68	Mean, SD and 't' value for the perception of low SES students for quality of teachers.	134
4.69	Mean, SD and 't' value for the perception of low SES students for quality of teaching.	135
4.70	Mean, SD and 't' value for the perception of low SES students for facilities available.	136
4.71	Mean, SD and 't' value for the perception of low SES students for discipline.	137
4.72	Mean, SD and 't' value for the perception of low SES students for contribution for development of pupils.	138
4.73	Mean, SD and 't' value for the perception of school principals for qualification and attitude of teachers.	140
4.74	Mean, SD and 't' value for the perception of school principals for quality of teaching.	141

Table No.	Title of the tables	Page No.
4.75	Mean, SD and 't' value for the perception of school principals for remuneration of teachers.	142
4.76	The perception of school principals for the problem of discipline.	143
4.77	The perception of school principals for need of coaching classes for good result in the public examination.	144
4.78	The perception of school principals for discouragement of coaching classes.	144
4.79	The perception of school principals for government's ban on school teachers to serve/run the coaching classes.	145
4.80	The perception of school principals for co-ordination of private coaching classes with schools.	146
4.81	The perception of school principals about attending coaching classes through imitation.	146
4.82	Mean, SD and 't' value for the perception of school teachers for qualification and attitude of teachers.	148
4.83	Mean, SD and 't' value for the perception of school teachers for quality of teaching.	149
4.84	Mean, SD and 't' value for the perception of school teachers for remuneration.	150
4.85	The perception of school teachers for problem of discipline.	151
4.86	The perception of school teachers for the need of coaching classes for good results in the public examinations.	152
4.87	The perception of school teachers for discouragement of private coaching classes.	152

Table No.	Title of the tables	Page No.
4.88	The perception of school teachers for government's ban on them to serve/run the private coaching classes.	153
4.89	The perception of school teachers for cordination of private coaching classes with schools.	154
4.90	The perception of school teachers about attending coaching classes through imitation.	154
4.91	The opinion of parents about instruction in private coaching classes.	155
4.92	The opinion of parents about teaching children at home.	156
4.93	The opinion of parents about contribution of coaching classes for admission to higher education.	157
4.94	The opinion of parents about pressure of school teachers to attend private coaching classes.	157
4.95	The opinion of parents about school teacher's hardworking for their wards.	158
4.96	The opinion of parents about regularity of teaching in private coaching classes.	158
4.97	The opinion of parents about utilisation of money spent for education in private coaching classes.	159
4.98	The opinion of parents about sending their children to private coaching classes through imitation.	160
4.99	The opinion of parents about private coaching classes providing only subject matter.	160
4.100	The opinion of parents about abolishment of private coaching classes.	161

Table No.	Title of the tables	Page No.
4.101	The opinion of parents about the aim of private coaching classes.	162
4.102	The opinion of parents about seriousness of study of their wards in absence of private coaching classes.	163
4.103	The opinion of private about an illusion of better results due to private coaching classes.	163
