From other locality.
43. Do you prefer to have friends from your own locality ? Yes / No
Give reasons.

A GLANCE AT KISANWADI

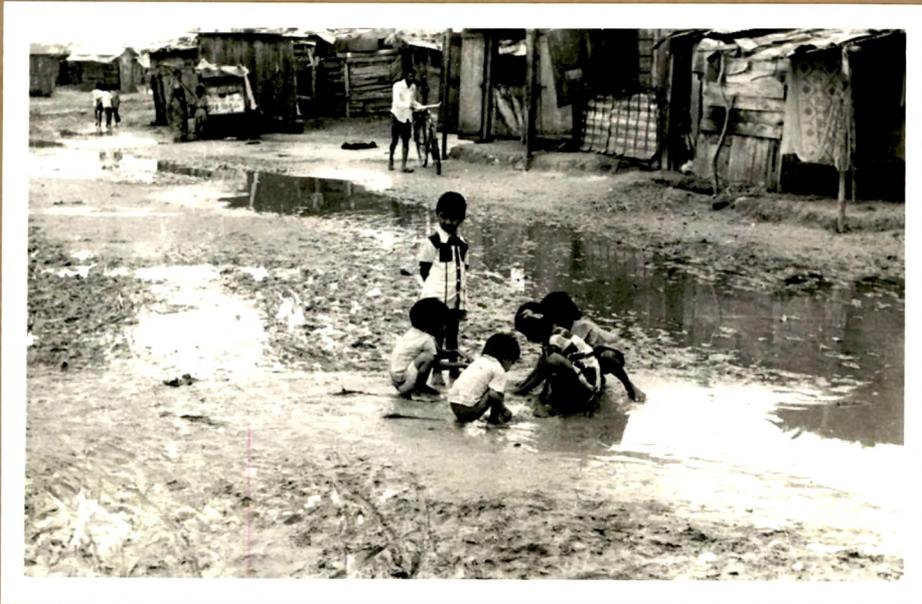

'Anything can make a Shelter'

'Ditches surrounding the Huts'

STREET PLAY

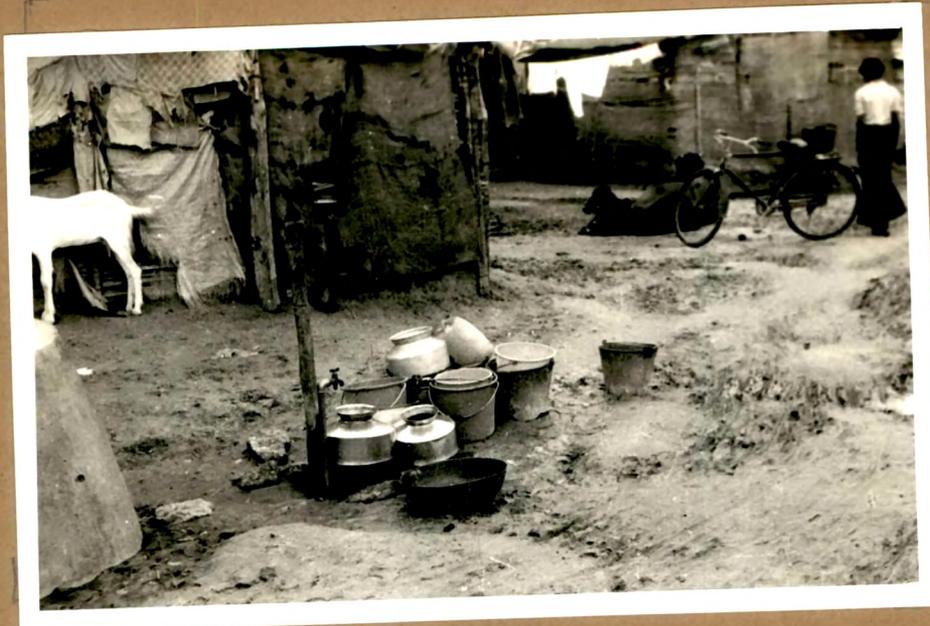

These pictures give glimpses of the slum and its surroundings.

PICTURE NO.1 shows an array of dwellings made of wooden planks, mud etc. and the condition of the toilets they use which is seen in the fore ground with four poles and torn cloth used as cover.

PICTURE NO.2 depicts another slum scene near one of the several ditches.

PICTURE NO.3 shows one of the streets where children are playing with muddy water in unhygienic conditions.

Water, water, everywhere. But only from taps to secure the Needs.

These pictures clearly indicate the inadequate tap water facilities in the slum.

PICTURE NO.4 showing a queue of utensils waiting in filthy conditions for the daily supply of fresh water.

PICTURE NO.5 showing another fresh water supply point being used for collecting fresh water for bathing, washing clothes and utensils.

35)4

MINI MARKET IN THE SLUM

Vegetable Market

Provision Store

These two pictures depict the market conditions of the slum
