

### ACKNOWLEDGEMENT

In the preparation and completion of the present study, several friends, professors and colleagues in the Faculty of Education and Psychology, Baroda, and well wishers have graciously and preciously contributed. The investigator is deeply indebted to one and all. But he would like to mention a few of them specifically whose indulgence and generosity have been more largely drawn upon.

The investigator is deeply indebted to his research guide, Professor Dolatbhai B. Desai whose guidance and assistance proved crucial all throughout the process of preparing research design, collection of research data, analysing and interpretation of the data and preparing the present research report. He is especially grateful to him for piloting his research work to its successful completion despite his heavy schedule of instruction and research guidance besides some continuous infiltration of unexpected administration work.

The investigator is also deeply grateful to Professor D.M. Desai, Head, Department of Educational Administration, Faculty of Education and Psychology, Baroda University. He also helped him to put forth the best that he could afford within the limited time and resources available. Professor Desai also helped the investigator in reviewing his research design, reading

critically and promptly the draft of his research report and making suggestions for improving and enriching his work.

The investigator values the criticism and suggestions he received from Dr. B.K. Passi, Reader in Education, Centre of Advanced Study in Education at the Faculty of Education and Psychology, Baroda, particularly in the use of some sophisticated statistical techniques in data processing. He is also thankful to Shri A.B. Patel, Programmer, PRL, Ahmedabad.

It is especially pleasant to acknowledge the valuable help the investigator received from his colleague Dr. (Smt.) Neelaben A. Shelat and Shri C.U. Desai, the retired, former principal, Esplanade High School, Bombay, in reading the research report within circumscribed time.

The investigator would like to acknowledge the gracious and precious help he received from Smt. Sarojben Padhye, the Librarian, Centre of Advanced Study in Education, Baroda and Shri H.M. Shah who did a good quick job in typing the manuscript of the thesis.

It is equally pleasant to put on record the excellent co-operation, comradeship and forbearance manifested by his wife Smt. Indumati and her friend Smt. Indira Bhatt during the entire period of the preparation of this doctoral work. Other well-wishers like Shri Arvindbhai Shelat and Smt. Sarojben Desai, Smt. Ashaben Desai, Kum. Chitraben Desai also deserve the investigator's gratitude for their help in one or the other details of this work.

iii

He acknowledges his gratefulness to all merciful God Who enabled him to complete this challenging undertaking in a period of about 26 months.
