Dear Sir/Madam,

While thanking you for the cooperation given by you and your staff in answering my Questionnaire on " Job Satisfaction in Secondary School Teachers ", I send herewith enclosed a ' List of Teachers ' of your school who answered my questionnaire and also a few ' Rating Sheets ' on Aspects of Educational Development in pupils. I request you to offer your dispassionate opinions on the impact of each teacher's work in the school (Teachers mentioned in the list only) on several aspects of educational development of pupils.

What all you have to do is, to put a tick as (/) at the appropriate places on the five point scale given on each one of the Rating Sheets, on the basis of your impression of the concerned teacher's work in the school. The information is required in connection with my research work leading to Ph.D. of M.S. University, Baroda.

The Rating Sheets are given numbers. The No. on the sheet is to be taken as index to the Teacher's code number given in the List of Teachers. The List of Teachers contains both Serial Nos. and Code Nos. and you have to make use of Code Nos. as this avoids mentioning the names of teachers on the rating sheets. To give an example, you have to give information in respect of one teacher, say, with Code No.29 (as given in the List of Teachers) on the Rating Sheet bearing No.29 and similarly for other teachers.

I assure you that the data will be used only for research purpose and kept strictly confidential. I request that the Rating Sheets and the List of Teachers be returned to me within a fort-night.

Thanking you,

Yours faithfully,
Sd. B.S.R.Anjaneyulu.

Enclosed: List of Teachers: 1
Rating Sheets.
