

LIST OF TABLES

<u>Table No.</u>	<u>Title</u>	<u>Page</u>
3.1	Distribution of sample schools, teachers and Principals	206
3.2	A schematic presentation of the number of components and the number of items in each component of the I.P.S.	222
3.3	Halpin's prototypic profile	229
3.4	Climate-Dimension Chart of the O.C.D.O.	230
3.5	Details of the questionnaires distributed and received back.	232
3.6	First try-out score	241
3.7	Details of Baroda Schools selected for second try-out	242
3.8	Schematic presentation of the dichotomising response categories	245
3.9	Process of elimination of items	246
4.1	Innovative Proneness of different types of school teachers	250
4.2	Combined scores of teachers on the three sections of I.P.S.	252
4.3 - 4.5	Collective scores of teachers on the Components of I.P.S.	254 - 260
4.6	Distribution of teachers in the three innovative categories	262
4.7	Relationship of innovative categories of teachers	263
4.8 - 4.10	Innovative categories of teachers and components of I.P.S.	265 - 267
4.11	Age-wise distribution of teachers in different types of schools	269
4.12-4.18	Age of teachers and components of I.P.S.	271 - 272

4.19	Distribution of teachers as per their sex in different types of schools	273
4.20-4.26	Sex of teachers and components of I.P.S.	274 - 277
4.27	Distribution of teachers according to teaching experience	278
4.28-4.34	Teaching experience and components of I.P.S.	279 - 282
4.35	Distribution of teachers according to academic qualifications	
4.36-4.42	Academic qualifications of teachers and components of I.P.S. as a whole	286 - 294
4.43	Distribution of teachers according to professional qualifications	296
4.44	Distribution of teachers according to academic as well as professional qualifications	298
4.45	Distribution of B.Ed./B.T. teachers with graduate level professional qualification	298
4.46	Distribution of untrained teachers	300
4.47	Distribution of Diploma holder teachers	300
4.48	Distribution of M.Ed. and Ph.D. qualified teachers	301
4.49-4.55	Professional qualification of teachers and components of I.P.S.	302
4.56	Distribution of teachers according to mobility	311
4.57-4.63	Mobility of teachers and components of I.P.S.	312 - 315
4.64	Distribution of teachers according to prior professional experience	316
4.65-4.71	Prior professional experience of teachers and components of I.P.S.	317 - 320
4.72	Distribution of teachers according to in-service education	

(ix)

4.73 - 4.79	In-service education of teachers and components of I.P.S.	322 - 325
4.80	Distribution of teachers according to professional reading habit	326
4.81 - 4.87	Professional reading habit and components of I.P.S.	327 - 330
4.88	Distribution of teachers according to professional satisfaction	331
4.89 - 4.95	Professional satisfaction of teachers and components of I.P.S.	332 - 335
4.96	Distribution of Principals on four L.B. Pattern	337
4.97	Quadrant scheme describing Principal's L.B. Patterns	338
4.98	Comparative results of four studies of L.B.	340
4.99	Distribution of teachers among the schools having Principals with four L.B. Patterns	341
4.100	Patterns of L.B. in the K.V.	342
4.101	Relationship of Principal's response of K.V. with other schools on I.S.	343
4.102	Relationship of Principals response on consideration	343
4.103	Patterns of L.B. in Unisex schools	343
4.104	Relationship on Principal's response of unisex and other schools on I.S.	344
4.105	Relationship on Principal's response of schools on consideration	344
4.106	Pattern of L.B. in the medium of instruction schools	345
4.107	Relationship of Principals' response of the M.I. and other schools on I.S.	346
4.108	Relationship of Principals response of the M.I. and other school on consideration.	346

(x)

4.109-4.133	L.B. Patterns and components of I.P.S.	348 - 355
4.134	Distribution of schools on the six climates	356
4.135	Distribution of teachers in the six climate types schools	358
4.136	O.E. and the K.V.	359
4.137	O.C. and the unisex schools	359
4.138	O.C. and the M.I. schools	360
4.139 - 4.163	O.C. and components I.P.S.	361 - 370
4.164	Rate of Teacher Job satisfaction and dissatisfaction in different types of school	372
4.165	Rate of undecided response in different types of schools	381
4.166	J.S.I. score of teachers of different types of schools	383
4.167	Relative scores of Job Satisfied and dissatisfied groups of teachers	387
4.168	Relationship of the satisfied and dissatisfied groups on the aspect of job.	389
4.169	Schoolwise relationship of the satisfied and dissatisfied groups	390
4.170	Relationship of job satisfied and dissatisfied groups between different types of schools	391
4.171	Job Satisfaction and dissatisfaction and I.P. of teachers	393
5.1	Mean scores of innovative proneness of teachers of different types of schools	474
5.2	Mean scores of Principals on the two dimensions of leadership behaviour	475
5.3	Rate of job satisfaction of secondary school teachers	476

5.4	Job aspects having significant relationship between satisfied and dissatisfied groups.	477
5.5	School-wise significance of difference between the satisfied and dissatisfied groups.	478

LIST OF CORRELATION MATRICES

I	I.P.S. and the variables	395
II	L.B. Patterns and I.P.S.	
	A - H H Pattern	403
	B - H L Pattern	407
	C - L H Pattern	411
	D - L L Pattern	413
III	O.C. and I.P.S.	
	A - Open Climate	417
	B - Autonomous	420
	C - Controlled	424
	D - Familiar	427
	E - Paternal	430
	F - Closed	433
IV	J.S.I. and the Variables	437
V	J.S.I. and I.P.S.
