his constant encouragement.

My gratitude for my beloved Principal,
Prof. S. Santhanam, Senior Professor In Psychology and

guidance and suggestions at various stages of my
research work.

I also thank Miss T. Duraiswamy, M. Sc.,
B. T., M.S. (Wisconsin), Retired Principal, Lady Willington
Training College, Madras, who encouraged, motivated and
stimulated me throughout, to complete this task.

This piece of acknowledgement would be incom-
plete if I do not express my heartfelt thanks to the
Headmasters and School Assistants of various city High
Schools in Madras for their ready assistance whenever I
approached them for collecting data and other particulars
to pursue this great endeavour.

Thanks to I.C.S.S.R. for providing financial
help to complete this piece of work.
