I would like to express my gratitude to the great academicians, for their invaluable co-operation and assistance but for which this research work could not have been successful.

I am greatly indebted to Dr. D.R. Darji, Faculty of Education and Psychology, M.S. University of Baroda, who was a beacon to me in the field of research. Dr. D.R. Darji with his profound knowledge and vast experience inspired me to progress in my work. At any stage where I had the least hesitation to move on, Dr. D.R. Darji extended his helping hand motivating and stimulating me incessantly to complete the task.

My gratitude is no less in amount to Dr. D.B. Desai, Dean and Head of the Department of Education, the Dean of the Faculty of Education and Psychology, M.S. University of Baroda, who amidst his multifarious activities found time to counsel me to progress in my research work. His valuable guidance was an elixir to my endeavour in this field.

Prof. Dh. R. Jeyagopal, Head, Adult and continuing Education, University of Madras, who rendered me valuable help in completing my research work.
