

## LIST OF GRAPHS

Graph no.	Title	Page no.
2.1(a)	Frequencies and percentages of type of technical problems in MLIS TC programme	141
2.1(b)	Frequencies and percentages of type of Non-technical problems in MLIS TC programme	141
2.2(a)	Frequencies and percentages of type of technical problems in PGDJMC TC programme	142
2.2(b)	Frequencies and percentages of type of Non-technical problems in PGDJMC TC programme	143
2.3(a)	Frequencies and percentages of type of technical problems in PGDHE TC programme	144
2.3(b)	Frequencies and percentages of type of Non-technical problems in PGDHE TC programme	144
2.4(a)	Frequencies and percentages of type of technical problems in B.Sc. (Nursing) TC programme	145
2.4(b)	Frequencies and percentages of type of Non-technical problems in B.Sc. (Nursing) TC programme	146
2.5(a)	Frequencies and percentages of type of technical problems in DECE TC programme	147
2.5(b)	Frequencies and percentages of type of Non-technical problems in DECE TC programme	147
2.6(a)	Frequencies and percentages of type of technical problems in DCE TC programme	148
2.6(b)	Frequencies and percentages of type of Non-technical problems in DCE TC programme	149
2.7(a)	Frequencies and percentages of type of technical problems in BCA and CIC TC programme	150
2.7(b)	Frequencies and percentages of type of Non-technical problems in BCA and CIC TC programme	150
2.8(a)	Frequencies and percentages of type of technical problems in CDM TC programme	152
2.8(b)	Frequencies and percentages of type of Non-technical problems in CDM TC programme	152
2.9(a)	Frequencies and percentages of type of technical problems in OVERALL TC programme	153
2.9(b)	Frequencies and percentages of type of Non-technical problems in OVERALL TC programme	154
4.1	Percentage Distribution of the Learners with respect to Sex	187
4.2	Percentage Distribution of the Learners with respect to Age	188
4.3	Percentage Distribution of the Learners according to the Employment Status	189

<b>Table no.</b>	<b>Title</b>	<b>Page no.</b>
4.4	Percentage Distribution of the Learners according to the Medium of Instruction in last qualifying examination	189
4.5	Percentage Distribution of the Learners according to the Exposure of Electronic Media	190
4.6	Percentage Distribution of the Learners according to the Exposure to Teleconferencing	191
4.7	Percentage Distribution of the Learners according to the Type of Programme	191
4.8	Subjectwise Percentage Distribution of the Learners	192
4.9	Percentage Distribution of the Learners according to the Level of Educational Qualification	193
6.1(a)	Percentage distribution of video quality of IGNOU-TC	301
6.1(b)	Percentage distribution of audio quality of IGNOU-TC	302
