

LIST OF TABLES

Table No.		Page No.
3.1	The Breakup of the Sample for the Study	104
3.2	Categorywise Sample from each teachers college	104
3.3	Distribution of items regarding administrative procedure of Section 1B - Tool III	109
3.4	Distribution of Items of Section II - Tool III for vice rectors and heads of faculties	110
3.5	Distribution of items of tool IV for the instructors	111
3.6	Distribution of items of tool V for community leaders and participants	112
3.7	Distribution of items of tool V for teacher trainees	114
4.1	The academic personnel involved in extension education activities in the eight teachers colleges	146
4.2	The qualifications of personnel involved in the extension education activities in the eight teachers colleges	146
4.3	The experience of personnel involved in the extension education activities in the eight teachers colleges	147
4.4	The procedure of planning the extension education activities	153
4.5	The procedure of administering the extension education activities	154
4.6	The procedure of organizing the extension education activities	156
4.7	The procedure of implementing the extension education activities	157
4.8	The roles of different agencies involved in the extension education activities	193

4.9	Problems as perceived by the vice rectors, heads of faculties and instructors with respect to planning of extension education activities	209
4.9(a)	Median test applied to the groups of vice rectors, heads of faculties and instructors	210
4.10	Problems as perceived by vice rectors, heads of faculties and instructors with respect to organization of extension education activities	212
4.10(a)	Median test applied to the groups of vice rectors, heads of faculties and instructors	213
4.11	Problems as perceived by vice rectors, heads of faculties and instructors with respect to coordination of extension education activities	215
4.11(a)	Median test applied to the groups of vice rectors, heads of faculties and instructors	216
4.12	Problems as perceived by vice rectors, heads of faculties and instructors with respect to personnel of extension education activities	217
4.12(a)	Median test applied to the groups of vice rectors, heads of faculties and instructors	218
4.13	Perception of vice rectors, heads of faculties and instructors regarding the relevance of programme with community needs	228
4.13(a)	Median test applied to the groups of vice rector, heads of faculties and instructors	229
4.14	Perceptions of vice rector, heads of faculties and teacher trainees regarding relevance of the programme with respect to community needs	231
4.14(a)	Median test applied to the group of vice rectors, heads of faculties and teacher trainees	232
4.15	Perceptions of instructors and teacher trainees regarding the relevance of the programme with respect to community needs	234
4.15(a)	Median test applied to the groups of instructors and teacher trainees	235

4.16	Perceptions vice rectors, heads of faculties and community participant regarding to the relevance of the programme with community needs	237
4.16(a)	Median test applied to the groups of vice rectors, heads of faculties and community participants	238
4.17	Perceptions of instructors and community participants regarding the relevance of the programme with community needs.	240
4.17(a)	Median test applied to the groups of instructors and community participants	241
4.18	Perceptions of teacher trainees and community participants regarding the relevance of the programme with community needs	243
4.18(a)	Median test applied to the groups of teacher trainees and community participants.	244
4.19	Perceptions of instructors and teacher trainees regarding the relevance of programme for teacher trainees	246
4.19(a)	Median test applied to the groups of instructors and teacher trainees	247
4.20	Perceptions of vice rectors, heads of faculties and instructors regarding the implication of the programme introduction in teachers colleges	249
4.20(a)	Median test applied to the groups of rectors, heads of faculties and instructors	250
4.21	Perceptions of vice rectors, heads of faculties and instructors regarding reactions of the staff involved in extension education activities	252
4.21(a)	Median test applied to the groups of vice rectors, heads of faculties and instructors	253
4.22	Organizational ability of the teachers college personnel involved in extension education activities as perceived by community participants.	259
4.23	Capability of the teachers college personnel involved in extension education activities as perceived by community participants	258

- 4.24 Attitude of teachers college personnel involved in extension education activities as perceived by community participants 260
- 4.25 The weightage and rank order of the field of extension education activities as perceived by teacher trainees 262
