

List of Publications

- Srinandan C.S, Jadav. V, Cecilia. D and Nerurkar A. S** (2010) Nutrients determine the spatial architecture of *Paracoccus* sp. biofilm. *Biofouling*. 26: 4. 449 – 459
DOI: 10.1080/08927011003739760
- Srinandan C. S, Pande S, Kapoor A and Nerurkar A. S.** (2011) Comparison of denitrification between *Paracoccus* sp. and *Diaphorobacter* sp. *Appl. Biochem Biotech, In Press*. DOI: 10.1007/s12010-011-9248-5
- Srinandan C. S, Shah M, Patel B, Nerurkar A. S.** Assessment of denitrifying bacterial composition in activated sludge. *Under Major Revision in Bioresource Technology*
- Srinandan C. S, D'Souza G, Nayak B. B, Nerurkar A. S.** Influence of carbon sources on the succession of biofilm community in denitrifying conditions. *Under Review in Microbial Ecology*
- Srinandan C. S, Acharya N, Srivastava N, Nerurkar A. S.** Characterization of *Paracoccus* sp. biofilm. *In prep.*
