

## **ACKNOWLEDGEMENTS**

*I take this opportunity to deeply thank the various people who, during my research period, provided me with useful assistance. The work would surely not have reached to completion without their care and consideration.*

*I feel a deep sense of gratitude to my supervisor **Prof. Bharat B. Chattoo**, Director, Centre for Genome Research, M. S. University, Baroda. He has always been a source of encouragement and inspiration, providing the needful guidance and suggestions for my work. His support and immense patience are deeply cherished.*

*I sincerely register my thanks to all other faculty members of Dept. of Microbiology and Biotechnology centre, MSU, Baroda for their encouraging comments on the work.*

*I thank all my lab seniors including **Devesh, Rajesh, Subhankar, Tulika, Archana, Sanjay** and **Harsukh**, for their suggestions and support through out my research work. I desire to express my gratitude to **Bishun**, for his helping hand and consistent support during the tenure of research. I am also thankful to present colleagues **Chandraprakash, Suhail, Varsha, Vikas, Sushma, Gaurav, Hashim, Divya** and **Akhil** for their co-operation during work as well as creating a stimulating and fun environment to make my stay here memorable.*

*I owe my regards to all the members of **Department of Microbiology and Biotechnology Centre, Baroda**, for their assistance in one way or the other. I specially thank **Mr. Jaykumar Nair, Mr. Amwillsu Varghese**, and **Mr. Nitesh Bhatt** for their administrative and technical assistance. The co-operation extended by the **Grish bhai** and **Ramesh bhai** are gratefully acknowledged.*

*This work could not have been completed without the support of my parents, brother Kapil and husband Dr. Srikanth Nama who have been with me through thick and thin. They always showed trust in me and boosted up my spirits to make me stronger in every way. I thank them for all their love, support and endurance.*

*I have to say thank you to all my friends especially Anjali, Jyotsna, Nirupama, Srilatha Dolly, Sushila and Tina for their emotional support always.*

*A word of gratitude is also extended towards all my teachers who shared their knowledge and guided me towards the scientific path.*

*Lastly, I thank The Almighty for giving me patience and courage to accomplish my endeavor.*

*I am indebted to Department of Biotechnology (DBT), Ministry of Science and Technology, Govt. of India, for their financial support for this research project.*
