

LIST OF TABLES

Table	Page
1.1 Climate Dimensions ...	d 63
3.1 Proportion of Secondary Schools in Kheda and Panchmahals Districts per 1,000 Population in Cities (1971 Census) ...	150
3.2 Growth of Secondary Schools in Kheda and Panchmahals Districts (Before 1900 to After 1970) ...	154
3.3 (a) Taluka-wise School Sample (Panchmahals) ...	186
(b) Taluka-wise School Sample (Kheda) ...	186
(c) Sample of School Teachers (Kheda) ...	188
(d) Sample of School Teachers (Panchmahals) ...	188
(e) Location of Sampled Schools (Kheda) ...	189
(f) Location of Sampled Schools (Panchmahals) ...	189
3.4 Identifying an Educationally Advanced and Backward District (Kheda and Panchmahals Districts) ...	192
4.1 Comparison of Mean (Sensitivity Scores) of Advanced and Backward District Schools ...	216
4.2 Comparison of Mean Scores on Perception of Teachers of Advanced and Backward Schools about Innovative School Practices ...	219
4.3 Distribution of Schools of the Advanced and Backward Districts on Climate Continuum ...	223
4.4 Relative Size of Advanced and Backward District Schools ...	226
4.5 Distribution of the Advanced and Backward District Schools on the Basis of Equipments possessed by them.. ...	226
4.6 Distribution of Advanced and Backward District Schools - Urban-Rural Location-wise ...	227

4.7	Distribution of Teachers of the Advanced and Backward District Schools - Age-wise ...	227
4.8	Distribution of Teachers of the Advanced and Backward District Schools according to their Teaching Experience ...	229
4.9 (a)	Mean Rating by Teachers of Advanced and Backward District Schools of the Benefits accruing from Supervisory Services ...	234
(b)	Mean Rating of Teachers of Advanced and Backward District Schools of the Benefits accruing from Supervisory Services ...	235
4.10(a)	Chi-square Value for the Extent of Agreement concerning Benefits derived from the present Supervision Work in Schools... ..	236
(b)	Extent of Agreement Regarding Perceptions of Teachers of the Over-all Benefits derived from the Supervision Work	236
4.11	Item-wise Percentage Agreement for the New Programmes of Supervision	241
4.12	Chi-square Values for the Adoption of New Innovative Programmes in Advanced and Backward District Schools	242
4.13	Percentage Distribution of Persons doing Supervision Work	246
4.14	Percentage Distribution of 'Yes' Answers Denoting Certain Essentials of Supervision Work	246
4.15	Chi-square Value for the Extent of Agreement among Advanced and Backward District Schools concerning the Essentials of Supervision Work	248
4.16	Item-wise Percentage Agreement among Teachers of Advanced and Backward District Schools concerning the Use of Methods of Supervision	248
4.17	Computation Item-wise Mean Rating denoting Extent to which Supervision related Activities are carried out	251

4.18	Computation of 't' Value for the Significance of Differences between Means denoting Achievement of Supervision	254
4.19	Item-wise Mean Rating for the Achievement of Supervision	255
4.20	Chi-square Value for the Implementation of New Concepts of Supervision	260
4.21	Item-wise Mean Rating for the Implementation of New Ideas of Supervision...	...	260
4.22	Chi-square Value for the Possibility of the Implementation of Supervision related Activities in Schools	266
4.23	Item-wise Chi-square Values for the Existence (A to S) of Favourable Conditions for Educational Improvement	269-278
4.24	Item-wise Chi-square Values for the Obstacles (A to S) to Educational Improvement	282-290
4.25	Percentage Distribution for the Interest and Motivation of Teachers	293
4.26	(a) Percentage Distribution for the Procedures adopted for Popularising New Ideas of Supervision	296
	(b) Time Taken in Weeks for Educational Innovations		297
	(c) Time Taken for the Acceptance of Innovation..		297
	(d) Time Taken in Weeks for Diffusion of Innovations...	...	298
	(e) Time Taken for Diffusion of Innovations ...		298
4.27	(a) Distribution of Advanced and Backward Schools according to Patterns of Leadership based on Person-orientation and job orientation ...		302
	(b) Item-wise Mean Rating for Person-oriented Leadership Structure	303
	(c) Item-wise Mean Rating for Job-oriented Leadership Structure	304
	(d) Item-wise Mean Rating for Personal Qualities of Leadership	305

4.28 (a)	Item-wise Mean Rating for Leadership Qualities of Supervisors Pertaining to General Knowledge of the Subject.	...	306
(b)	Item-wise Mean Rating for Leadership Qualities of Supervisors pertaining to Curriculum	307
(c)	Item-wise Mean Rating for Leadership Qualities of Supervisors pertaining to Abilities and Skills	308
(d)	Item-wise Mean Rating for the Leadership Qualities of Supervisors pertaining to Special Training and Innovations	...	309
(e)	Item-wise Mean Rating of Leadership Quality of Supervisors pertaining to Attitude and Habits	309
4.29 (a)	Chi-square Value for the Leadership Qualities pertaining to Knowledge	...	310
(b)	Chi-square Value for the Leadership Qualities pertaining to Curriculum	...	310
(c)	-do- Abilities and Skills...		311
(d)	Chi-square Value for the Leadership Qualities pertaining to Specific Training and Innovations	...	311
(e)	Chi-square Value for the Leadership Qualities pertaining to Attitudes and Habits	...	311
