

## ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude and sincere thanks to my supervisor, Dr.D.C.Joshi, for his invaluable and constant advice and guidance in planning and executing the study. Neither did he spare me from critical and analytical thinking nor did he spare himself from any effort to make the study as objective as possible. My words of thanks fall short of my feelings.

I am thankful to the authorities of U.G.C.for providing me the opportunity through F.I.P., of the CASE for offering me teacher-fellowship, and of my institution for deputing me to pursue the study. I am thankful to Professor D.B.Desai, Dean, Faculty of Education and Psychology, for the encouragement, he gave from time to time.

I extend special thanks to all the principals, teachers and students of the colleges who cooperated and helped me in conducting the study.

I feel indebted to Mrs.Sulekha Patankar, lecturer, Faculty of Education and Psychology, M.S. University, Mr.Mani Jacob, Editor, New Frontiers in Education and Mr.S.L.Jena, teacher-fellow, CASE, M.S. University, Baroda who took a lot of trouble in improving the study and going through the manuscript. I thank to all friends who extended their cooperation in completing the study in one way or the other.

My thanks are due to Mrs.Sarojben Padhye, the ever helpful librarian of CASE.

While expressing my deep sense of affection, love and respect to my family members, who enthusiastically shared the

responsibility on their own and let me feel free to pursue the study, I record my admiration for them.

For excellent typing of the manuscript, by Mr.B.D.Mistry, I thank him.
