

LIST OF TABLES

<u>Table No.</u>		<u>Page No.</u>
SA 1.	Population and Sample of the Study: ⁵ Sourcewise	: 94
2.	Administrative Staff of the DCC 1972-73 and 1981-82	: 104
3.	Teaching Staff of the DCC 1972-73 and 1981-82	: 105
4.	Course and Yearwise Enrolment Position with Annual rate of growth (1971-81)	: 124
5.	Structure of Enrolment (1st semester) by courses (1971-81)	: 126
6.a	Semesterwise enrolment in different courses (1971-81)	: 127
6.b	Semesterwise enrolment variation in PG courses (1971-81)	: 128
7	Dropouts of Correspondence Courses (1971-81) Coursewise	: 129
8	Students discontinuing correspondence courses during first semesters coursewise (1972-81)	: 130
9.	Enrolment positions of PG students during 1975-76, 1977-78, and 1979-80, state and coursewise (In percentage)	: 161
10	Enrolment position of UG students during 1975-76 1976-77 and 1979-80 state and coursewise (In percentage)	: 162
11	Students enrolment in different courses year and sexwise (In percentage) 1971-1979.	: 163
12	Age distribution of students enrolled during 1979-80, coursewise (In percentage)	: 165
13	Caste of students (1979-80) coursewise in percentage	: 166
14	Employment of students (1979-80) coursewise in percentage	: 167
15	Regional background of students (1979-80) coursewise in percentage	: 168
16	Age distribution of students continuing studies and dropouts coursewise (In percentage)	: 169
17	Years gap between last qualifying examination and present enrolment of present students and dropouts coursewise (In percentage)	: 170
18	Marks obtained by present students and dropouts in last qualifying examinations coursewise (In percentage)	: 171
19	Educational background of parents of present students and dropouts coursewise (In percentage)	: 172

<u>Table No.</u>		<u>Page No.</u>
20	Employment of students - Coursewise (In percentage) :	173
21	Occupation of employed students and dropouts, coursewise (In percentage) :	174
22	Annual per capita income distribution of present students (employed) in slabs - statewise with reference to national povertyline index. :	176
23	Place of residence of present students and dropouts (present address), coursewise in percentage. :	177
24	Distance between rural students' places of residence, and District Head Quarter and nearest town, coursewise (In percentage) :	177
25	Distance between rural students' places of residence and the nearest Bus Stops, coursewise (In percentage) :	178
26	Educational institutions in students' villages, coursewise (In percentage) :	178
27	Distance between rural students' places of residence and different higher education institutions, coursewise (In percentage) :	179
28	Caste of present students and dropouts, coursewise (In percentage) :	180
29	Regional background of students, caste and coursewise (In percentage) :	180
30	Employment of students, caste and coursewise (In percentage) :	181
31	Occupation of SC/ST and BC students, coursewise (In percentage) :	181
32	Annual per capita distribution of present employed students (caste and sex wise) with reference to povertyline index :	182
33	Educational qualifications of students' parents, caste and coursewise (In percentage) :	183
34	Sex and Marital background of present students and Dropouts, coursewise (In percentage) :	184
35	Educational qualification of students' parents, sex and coursewise (In percentage) :	185
36	Students' caste distribution, sex and coursewise (In percentage) :	186
37	Regional background of students, sex and coursewise (In percentage) :	186
38	Employment of students, sex and coursewise (In percentage) :	187

<u>Table No.</u>		<u>Page No.</u>
39	Occupation of Female students, Coursewise (In percentage)	: 188
40	Annual per capita income distribution of dropouts (employed) in slabs, statewide with reference to national poverty line index	: 189
41	Students' purposes for selection for selection of correspondence courses - class and sex wise (In terms of weighted scores)	: 206
42	Students preference for correspondence courses to the day / evening colleges and private system of appearing examinations: Reasons course, class and sex wise - (In terms of weighted scores)	: 208
43	Influence of different persons/own on students in in selection of correspondence courses, class and sex wise (In percentage)	: 210
44	Students' reasons for discontinuing studies, coursewise (In percentage)	: 212
45	Dropouts' willingness to rejoin the correspondence: courses, Course wise (In percentage)	: 214
46	Professional position of personnel involved in instructional activities (In percentage)	: 223
47	Academic qualification of teachers involved in instructional activities (In percentage)	: 224
48	Teaching and Research Experiences of teachers involved in instructional activities (In percentage)	: 225
49	Professional positions of teachers involved in instructional activities	: 226
50	Availability of different facilities and their utilization of professional growth of DCC teachers (In percentage)	: 227
51	Usefulness of Orientation, perceived by students Course wise (In percentage)	: 231
52	Students' seeking clarification from Directorate Coursewise (In percentage)	: 232
53.a	Present Students' suggestions for effective orientation, coursewise (In percentage)	: 233
53.b	Successful students' suggestions for improvement of effective orientation and other aspects of administration (In percentage)	: 234
53.c	Dropouts' suggestions for improvement of facilities for providing information, coursewise (In percentage)	: 235
54	Students receiving the syllabus, coursewise (In percentage)	: 238

<u>Table No.</u>		<u>Page No.</u>
55	Students' ideas about the courses, coursewise (In percentage)	: 239
56	Students' using suggested references as stated in syllabus, coursewise (In percentage)	: 240
57	Usefulness of suggested readings, coursewise (In percentage)	: 241
e/ 58	Students' convenience in covering the syllabus in specific semester/year (In percentage)	: 241
59	Suggestions for improvement in presentation of syllabus, coursewise (In percentage)	: 242
60	Students' uses of lesson scripts, course wise (In percentage)	: 255
61	Students' usefulness of lesson scripts, Coursewise (In percentage)	: 255
62	Students' difficulties in studying the lessons, coursewise, (In percentage)	: 256
63	Students' use of other books along with lessons scripts, Coursewise (In percentage)	: 257
/ 64	Present students reasons for nonuse of reference books, coursewise (In percentage)	: 257
65	Teachers' opinion on presentation of lesson scripts: coursewise at PG level (In percentage)	: 258
66	Teachers' opinion on presentation of lesson scripts: subjectwise at UG stage (In person)	: 260
67	Teachers' suggestions to bring about improvement in the presentation of lesson scripts : subjectwise	: 261
68	Students suggestions for improvement of lesson scripts coursewise (In percentage)	: 262
69	Successful students suggestions for improvement of lesson scripts, Coursewise (In percentage)	: 263
70	Dropouts' suggestions for improvement of lesson scripts, coursewise (In percentage)	: 264
71	Present students' usefulness of the present system: of sending lesson scripts, coursewise (In percentage)	: 265
72	Present students receiving time of lessons, Coursewise (In percentage)	: 265
73	Guidelines given to the teachers for writing, reveiwing and translating the lessons and their adequacy, subjectwise (In person)	: 266
74	Difficulties faced by teachers for writing/ reviewing/translating the lessons with reasons, subject wise (In person)	: 267

<u>Table No.</u>		<u>Page No.</u>
75.a	Teachers' opinion on reasonable remuneration for writing/reviewing and translating the lessons: PG stage and UG stage	: 268
75.b	Teachers' opinion on reasonable time limits given for writing/reviewing/and translating the lessons	: 268
76	Teachers' expectations for different kinds of academic and professional incentives for writing the lessons	: 269
77	Students' reasons for not attending the PCP coursewise (In percentage)	: 283
78	Students' difficulties in attendance of the PCPs coursewise (In percentage)	: 284
79	Students' suggestions regarding attendance and organisation facilities of PCPs and regional study centres, coursewise (In percentage)	: 285
80	Successful students' suggestions for improvement of PCP coursewise (In percentage)	: 286
81	Students' reaction towards duration of PCP (with suggestion) Coursewise (In percentage)	: 287
82	Teachers' selection and coverage of topics for teaching during PCP with reasons and difficulties, subjectwise (In person)	: 288
83.a	Dropouts' suggestions for improvement of PCP, Course wise (In percentage)	: 290
83.b	Dropouts' suggestions for improvement of teacher-student and student-student contacts course wise (In percentage)	: 290
84	Teachers' perception on organisation of teaching activities during PCP: Methods used, students' participation in teaching, own difficulties and their suggestions, subject wise (In person)	: 291
85	Students' reaction towards instruction during PCP course wise (In percentage)	: 294
86	Students' difficulties in following PCP instruction, course wise (In percentage)	: 296
87	Students' suggestions for improvement of class room instruction during PCP, Course wise (In percentage)	: 297
88	Students' reaction towards duration of daily teaching programme in PCP (with suggestion) Course wise (In percentage)	: 298
89	Students' using library during PCP, Course wise (In percentage)	: 299
90	Teachers' guidance to students during PCP subject wise (In person)	: 300

<u>Table No.</u>		<u>Page No.</u>
91	Co-curricular activities during PCP - students' perception, Coursewise (In percentage)	: 301
92	Teachers' difficulties with regard to management of PCP, with suggestions, subjectwise (In person)	: 302
93	Students' difficulties and suggestions regarding library studies, course wise (In percentage)	: 306
94	Present students' usefulness of writing assignments Coursewise (In percentage)	: 319
95	Teachers' opinion on students' performance in the response sheets and their evaluation, subject wise (In person)	: 320
96	Students' using the materials for preparing assignments coursewise (In percentage)	: 321
97	Students' difficulties in writing assignments, with reasons, Course wise (In percentage)	: 321
98	Teachers' reaction towards assignment system of evaluation, with suggestions, discipline wise (In person)	: 322
99	Present students' suggestions towards improvement of assignment and evaluation system, Course wise (In percentage)	: 327
100	Successful students' suggestions for improvement of assignment and evaluation system, course wise, (In percentage)	: 329
101	Dropouts' suggestions for improvement of assignment system, Course wise (In percentage)	: 331
102	Students' suggestions for assignments, course wise (In percentage)	: 332
103	Evaluators' remarks on assignments and its usefulness to students, course wise (In percentage)	: 332
104	Teachers' problems with regard to evaluation of response sheets, subjectwise	: 333
105	Timings of receiving the checked assignments by students, Coursewise (In percentage)	: 334
106	Teachers' reactions to internal and external evaluation system, discipline wise (In person)	: 334
107	Teachers' reaction towards internal and self-evaluation systems (with suggestions), discipline wise (In person)	: 335
108	Teachers' reaction to the nature of questions asked in the examinations (with suggestions) Discipline wise (In person)	: 337
109	Students' reaction towards other aspects of evaluation system, Course wise (In percentage)	: 338
110	Pass percentage of correspondence and regular students, M.A. and M.Com. level yearwise.	: 355

<u>Table No.</u>		<u>Page No.</u>
111	Achievement of M.Ed. students (percentage of students and divisions possessed, 1971-78)	: 356
112	Pass percentage of correspondence and regular students - P.U.C. and B.A. level.	: 357
113	Comparison of achievements of correspondence students and regular students in terms of divisions obtained by students at PG Arts level, year wise (In percentage)	: 358
114	Comparison of achievement of correspondence students and regular students at M.Com. level (yearwise - In percentage)	: 360
115	Comparison of achievement of correspondence students and regular students at UG level, yearwise (In percentage)	: 361
116	Comparison of mean achievement scores of correspondence students and regular students, course and yearwise	: 362
117	Successful students' purposes of joining the correspondence course, Coursewise (In percentage)	: 365
118	Perception of successful students regarding fulfillment of purposes, coursewise (In percentage)	: 366
119	Successful students' nonfulfillment of purposes, Coursewise (In percentage)	: 369
120	Reasons perceived by successful students regarding non-fulfillment of purposes; Coursewise (In percentage)	: 369
121	Teachers' suggestions on flexible nature of courses of studies subject/coursewise	: 373
122	Students' suggestions an organisation of papers in a course, Course wise (In percentage)	: 373
123	Students' aspirations for joining new courses, Course wise (In percentage)	: 374
124	Successful students' suggestions for introduction of new courses, coursewise (In percentage)	: 379
125	Dropouts' suggestions for introduction of new courses, Coursewise (In person)	: 382
126	Present students' aspirations for joining higher courses like M.Phil/Ph.D. (In percentage)	: 383
127	Classification of Income (in rupees) of DCC from 1976-77 to 1979-80.	: 401
128	Classification of expenditure of DCC by function and object (Amount in rupees)	: 401

(x)

<u>Table No.</u>		<u>Page No.</u>
129	Receipt and expenditure of DCC by major heads 1978-79 and 1979-80 (Amount in rupees)	: 402
130	Unit Private Costs of Correspondence Courses (1980-81) Amount in rupees	: 402
131	Unit Private Costs of Correspondence Courses and regular courses (In 1981-82 price) Amount in rupees	: 403
