

CONTENTS

CHAPTER		PAGE
	INTRODUCTION	
1	Observations on seasonal changes in body and organ weights in normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	9
2	Seasonal variations in certain blood parameters in normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	34
3	Seasonal quantitative alterations in glycogen and phosphorylase activity in liver and muscle of normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	45
4	Seasonal alterations in ATPase, SDH and G6Pase activities in liver, muscle, kidney and gonads of normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	57
5	Seasonal variations in the levels of total lipids, total cholesterol and phospholipids of normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	70
6	Seasonal quantitative changes in sodium potassium and calcium ions and water content of normal and pinealectomized pigeon, <u>Columba livia</u> .	86

CHAPTER		PAGE
7	Seasonal variations in the ascorbic acid content of liver, muscle, kidney and gonads of normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	104
8	Seasonal alterations in activities of non-specific acid-alkaline phosphatases and protein content of normal and pinealectomized feral blue rock pigeon, <u>Columba livia</u> .	117
