

ACKNOWLEDGEMENT

I express my sincere gratitude and indebtedness to Dr. R. V. Shah, Professor and Head, Department of Zoology, M.S. University of Baroda, for the kind suggestion of the problem and his constant guidance throughout the tenure of the present study.

I also express my sincere thanks to Dr. A.V.Ramachandran, Reader in Zoology, M.S.University of Baroda, for providing continuous help and guidance in carrying out the present work and preparation of the thesis.

I am thankful to Dr. N.N. Rao of Microbiology Department, M.S. University of Baroda, for his help in permitting me to use the spectrophotometer.

I express my sincere thanks to University Grants Commission for giving me Junior Research Fellowship during the tenure of the study.

Finally I thank all my colleagues in the Department for their help at various stages of this work.
