

ACKNOWLEDGEMENTS

It is my pleasure to express my sincere gratitude, appreciation and indebtedness to my guiding teacher Professor A.K. Desai, Professor in Zoology, Department of Zoology, Faculty of Science, M.S. University of Baroda, Gujarat, India for his invaluable and scholastic guidance, constructive criticism and untiring help from the beginning to the completion of the research works, within the stipulated time.

I express my deep sense of gratitude, sincere thanks and due honour to Human Resource Development, Ministry of Education, Government of India and M.S. University of Baroda for providing permission, financial support and opportunity for carrying out the research work in the Department of Zoology, Faculty of Science under the India-Bangladesh cultural relations scholarship scheme.

I wish to express my meek veneration to the Head and all the teachers of Zoology Department of this University, who have helped me in my work.
