

### **Acknowledgements**

*This thesis would not have been possible without the guidance, support and encouragement of my Guide Dr. P. H. Parikh. She had been nourishing to all my research aspects like Mother Nature. I am sincerely grateful to her for always believing in me and my ideas. It is her belief that pushed me to explore more and more about bone research. She is amongst the people who not only deserves acknowledgements but shall be remembered for life time.*

*Special thanks to Dr. B. Suresh for his practical advice and handy ideas about my research. His practical approach to life changed my vision of looking at the problems.*

*I would like to acknowledge Prof. Daniel, Department of Botany, for teaching me Phytochemistry and helping in carrying out analysis of my botanicals.*

*I am grateful to Prof. P. V. Patel and Dr. Dolly Kumar for their all time warmth and support.*

*I sincerely like to thank UGC, New Delhi for their financial support in the form of RFSMS and MANF.*

*I am grateful to all my teachers in Department of zoology for their support and encouragement. I am also grateful to Non teaching staff for their timely help in various situations.*

*I am thankful to Head, Department of Zoology for providing me with facilities to carry out my research work.*

*I would to sincerely grateful to Ms. Radhika Baloni and Ms. Ajeeta Vanmudan, Department for helping me in conducting TLC and carrying out GC MS of my samples.*

*I gratefully acknowledge the support of Dr. Nilesh Bhatt, Department of Geology and Vandana Rao, Department of Metallurgy for SEM of my samples.*

*I would like to thank Dr. Manoj Chopda for helping me in carrying out phytochemical analysis.*

*Special thanks to Dr. Enrico, Italy for his guidance and encouragement during my in vitro studies.*

*I am thankful to Deepa mam for her expert comments in improving my thesis writing. I am thankful to Dr. Gowri Kumari and Dr. Pratyush Patankar for their kind support and guidance during my work. . Dr. Pratyush Patankar had been more than a senior to me, He was with me irrespective of time and situation.*

*I would like to extend my thankfulness to my juniors Tushar, Anushree, Sharadamba, Ruchika, Anita and Ms. Hetal for their support during the initial tenure of my work.*

*I am heartily thankful to my juniors Bhavika and Shalaka for their immense efforts in accomplishing the writing of my thesis. They had been like family members to me from the time they joined. I am also thankful to my colleague Ms. Khyati for her help during editing of my thesis. I am also thankful to Mr. Chirag for his timely help in carrying out GC MS of my samples.*

*I am also thankful to Mr. Deepak for his help during my cell culture experiments.*

*Last but not the least; I would like to acknowledge my Friends Ravi and Menka for being with me all throughout my study period of last 10 years.*

*I express my sincere gratitude to my family, for their kind support during the long journey of my thesis. I am blessed for having a mother and two sisters who always encouraged my studies.*

***LASTLY, I AM THANKFUL TO ALL MY TEACHERS STARTING FROM MY FIRST TEACHER, MY MOTHER TO MY GUIDE, FOR PUSHING ME TO WHAT I AM. I WOULD LIKE TO DEDICATE THIS THESIS TO THEIR SELFLESS EFFORTS IN EDUCATING ME.***
