

List of Figures

Chapter I

Figure 1. 1: Map of Study Areas	14
Figure 1. 2: Insect Collection Methods	16
Figure 1. 3: Overall Percentage Distribution of Insect Orders	37
Figure 1. 4: Percentage Distribution of Insect Orders in the Four Sites	38
Figure 1. 5: Seasonal Variation of Orders from 2017 to 2019	40
Figure 1. 6: Diversity Index (Shannon_H) of Insect Species in Four Sites.....	42
Figure 1. 7: Evenness Index of Insect Species in Four Sites	42
Figure 1. 8: Richness Index (Margalef) of Insect Species in Four Sites.....	42
Figure 1. 9: Percentage Distribution of Insects According to their Ecological Role	43
Figure 1. 10 : Representatives of Order Odonata.....	44
Figure 1. 11: Representatives of Order Orthoptera.....	45
Figure 1. 12: Representatives of Order Diptera	46
Figure 1. 13: Representatives of Order Coleoptera.....	48
Figure 1. 14: Representatives of Order Lepidoptera	48
Figure 1. 15: Representatives of Order Hymenoptera	49

Chapter II

Figure 2. 1: Percentage Incidence of Four Orders at Four Sites in the Year 2017- '18..	70
Figure 2. 2: Percentage Incidence of Four Orders at Four Sites in the Year 2018- '19..	71

Chapter III

Figure 3. 1: AT - GC Skew Analysis of Coleoptera Species.....	115
Figure 3. 2 : Phylogenetic Tree of Order Coleoptera with its Species	121
Figure 3. 3: Electrophoresis Gel Image of DNA, PCR Product of COI And 16s rRNA of Coleoptera Species Representatives	128
Figure 3. 4: AT - GC Skew Analysis of Orthoptera Species.....	130
Figure 3. 5: Phylogenetic Tree of Orthoptera Species.....	135
Figure 3. 6: Electrophoresis Gel Image of DNA, PCR Product of COI And 16s rRNA of Orthoptera Species Representatives.....	143
Figure 3. 7 : AT - GC Skew Analysis of Hemiptera Species	145
Figure 3. 8: Phylogenetic Tree of Hemiptera Species.....	148
Figure 3. 9: Electrophoresis Gel Image of DNA, PCR Product of COI and 16s rRNA of Hemiptera Species Representatives.....	154
Figure 3. 10: AT - GC Skew Analysis of Lepidoptera Species	156
Figure 3. 11: Phylogenetic Tree of Lepidoptera Species	159

Figure 3. 12: Electrophoresis Gel Image of DNA, PCR Product of COI and 16s rRNA of Lepidoptera Species Representatives	164
Figure 3. 13: Overall Phylogeny Tree of Four Orders	164
Chapter IV	
Figure 4. 1: Homology of <i>Altica Cyanea</i> with its Host Plants	179
Figure 4. 2: Homology of <i>Aulacophora Species</i> with its Host Plants.....	181
Figure 4. 3: Homology of <i>C. Orientalis</i> with its Host Plants	184
Figure 4. 4: Homology of <i>L. Fuscipes</i> with its Host Plants	186
Figure 4. 5: Homology of <i>Monolepta Signata</i> with its Host Plants	189
Figure 4. 6: Homology of Myllocerus Species with its Host Plants.....	191
Figure 4. 7: Homology of <i>Mylabris Pustulata</i> with its Host Plants	194
Figure 4. 8: Homology of <i>O. Versicolor</i> with its Host Plants.....	197
Figure 4. 9: Homology of <i>Protaetia Aurichalcea</i> with its Host Plants	200
Figure 4. 10: Homology of <i>Sitophilus Oryzae</i> with its Host Plants	203
Figure G. C: Summary Diagram of Insect Diversity, Infestation, Molecular Taxonomy and Insect Plant Molecular Correlation in the Agricultural Fields of Vadodara.	219
