

## **Acknowledgement**

I thank and bow before God the Almighty for His mesmerizing blessings and graces showered upon me, for the smooth sale to accomplish my research work. I have experienced His guidance day by day and moment by moment. His Holy word strengthened me throughout this work; "Do not be afraid, for I am your God; I will strengthen you, I will help you, I will uphold you with my victorious right hand". Along with the founder of C.M.C. congregation Saint Chavara I do believe that "God's will always and everywhere".

At the outset, I am grateful to numerous great personalities for their collaborative effort and contribution towards shaping a milestone of hard work and to achieve my research goal. It is also the result of many experiences I have encountered at The Maharaja Sayajirao University of Baroda and from innumerable of remarkable individuals whom I wish to acknowledge.

River do not drink their water, trees do not eat their fruits, the sun does not shine for itself, and the flowers do not spread their fragrance for themselves; it is my genuine and great pleasure to acknowledge my research mentor **Prof. Pragna Parikh**, who has the substance of a genius and mastermind; she convincingly guided and encouraged me even when the road got tough. Without her persistent help, motherly support, and friendly guidance, the goal of this work would not have been realized. Throughout this research work, I have received great support and assistance from her. It was her expertise that paved the way for formulating this work in its plumpness. Her insightful feedback pushed me to sharpen my thinking and brought my work to a higher level. Moreover, her guideship and mentoring defined the path of my life. I appreciate her graciousness and high-spirited personality mentoring me and the young generation for a better future. I also express my gratitude to **Mr. Hitesh Parikh**, **Mr. Yashesh Parikh**, and **Mrs. Vaidehi Parikh** for their direct and indirect support and encouragement for sparing their great time for my thesis work.

Every moment brings us something new, every step in our lives bring us new inspiration, and someone somehow becomes a delightful message for me. I would like to recognize the invaluable encouragement and timely support that all my professors and teachers provided during my study period and provided the facilities of the

Department. I pay special regards and thanks to **Prof. Dolly Kumar, Head of the Department of Zoology**, for her motivational and charming nature that boosted my work. I sincerely express my gratitude to **Prof. P. C. Mankodi**, Former Head of the Department of Zoology, for the encouragement and making his lab facilities available during the initial stages of my research. My heartfelt gratitude to **Prof. B. Suresh**, who has always been an inspiration and has been a facilitator to step in the Department of Zoology. I gratefully thank **Dr. Vihas Vasu** for timely support and providing me the facility in his lab to utilize Chemi doc. for my experiments. **Prof. Sunita Salunke, Prof. K. D. Vaccharajani, Prof. Geeta Padate, Dr. Prakash Pillai, Dr. Hetal Roy, Dr. R. V. Devkar, and Dr. U. K Gaurikumari** for the continuous encouragement. Also, I am grateful to all the supportive staff members of the Department for the selfless services and support in various regards.

I am also grateful to all my seniors and lab mates, for providing me sage advices and selfless help throughout this work. I am very much grateful to **Dr. Parth Pandya** for his brotherly concern and timely support, and taking time out of his busy schedule to answer my questions and evaluating my thesis critically. I extend my sincere thanks to **Dr. Ankur Upadhaya** and **Mr. Hitarth Changani** for being a support and a helping hand in my works. I want to express my deep appreciation to **Ms. Bhumi Thakkar** and **Ms. Ankita Salunke** for being with me all these years, shoulder to shoulder supporting me in the ups and downs of my work. Without their help, I would not have been able to complete my research work in such a proficient and timely manner. Also, I thank **Ms. Nishi Pandya**, who, even though for a few days but helped me in my thesis completion. I would like to thank my fellow doctoral students in the Department for their friendship, feedback, and especially **Mr. Kaushalkumar D. Chaudhari** and **Ms. Aparna Golani**, for your timely assistance all the more for your encouragement throughout these years.

With a special mention to Emeritus **Bp. Gregory Karotemprel**, it was his support through prayer, encouragement, and timely aid that made my research journey smooth. I wish to express my deepest gratitude to **my Daddy and Mummy**, who understand my unspelled words and unceasingly support through intense prayer and encouraging words. **My Brother (Lino), Sister (Lipsy), and their family** are always with me as a motivation to my right and left, especially my little **nieces (Meryl and Mevil)** and **nephew (Livan)**, who always rejuvenated me.

The thesis marks the end of a long and eventful journey. With a grateful heart, I remember my religious congregation **C.M.C.** for the tremendous support throughout these years. I am very much indebted to my Provincial Superior **Dr. Sr. Navya Maria** and Councillors, my Regional Superior **Sr. Benno** and Councillors, and **my former Regional Superiors** and **each sister** of my region for supporting me in all the possible ways and with their valuable prayers. I dedicate this thesis to my parents and my religious fraternity. Also, I am grateful to **Mr. Johny Macwan** and **Mr. Varghese**, who offered Scotty, making my field visit smooth and ease during my research work. I would be failing in my duty if I do not acknowledge my **Sisters in Deepsharan** who made my stay very comfortable and supported me during my research work.

To everyone who has been a part of my life and a part of this journey, I wholeheartedly thank you and express my gratitude. Every drop in the ocean counts, and I would never forget those who helped me to sail through troubled waters.
