Page No.

1. Introduction	1- 9
2. Study Area	10-18
Part I: Study of Urban Birds	
3. Chapter I : Terrestrial Bird Population of Vadodara City	19-49
4. Chapter II : Bird Diversity Around Urban Ponds	50-68
5. Chapter III: Urban Birds: Their Feeding Guilds and Roosting Niches	69-90
Part II: A Comparative Study In and Around Two Water Bodies In Relation To Different Anthropogenic Pressures	
6. Chapter IV: Influence of Urban Pressures on Bird Diversity	91-114
7. Chapter V: Influence of Urban Pressures On Plankton Diversity	115-138
8. Chapter VI: A Comparative Study of Physico-Chemical Parameters of Two Water bodies	139-179
9 Summary	180-187
10 General Consideration	188-195
11 Appendix I	196-200
12 Appendix II	201-203
13 Reference	204-220
