COMPREHENSIVE TEST ON DEVELOPMENT OF CONCEPTUAL STRUCTURE

Name:

Roll No:

Date:

Direction: Develop conceptual structures/concept maps on the following two passages.

A) India's defence force play an important role for country's security. Two major tasks of India's defence force are to protect the country from foreign aggression and to maintain internal security. Both these tasks are performed by its regular and second line forces. Regular forces are the Army, the Navy and the Air Force. Second line forces are the Territorial Army, the Border Security Force and the Coast Guard. Second line forces maintain internal security which is hampered by the factors like communalism, linguism, casteism and regionalism.

B) The United Nations is an international organisation meant for maintaining peace and security in the world. It achieves this objective through its six major organs and specialised agencies. The major organs are the General Assembly, the Security Council, the Economic and Social Council, the Trusteeship Council, the International Court of Justice and the Secretariate. Some of the specialised agencies are UNESCO, UNICEF, WHO and IMF. The United Nations helps India in its economic, educational, cultural and scientific development. India also helps the United Nations in its peace-keeping activities.
