

## ACKNOWLEDGEMENTS

I convey my sincerest regard and deepest gratitude to my guide, Dr. Subhas Bhowmick, Sr. Vice President, FR&D-Non orals, Sun Pharmaceutical Industries limited, Vadodara for his valuable guidance, support and inspiration for carrying out this work.

I would like to express my heartfelt gratitude and regards to my co-guide, Prof (Dr.) Krutika K. Sawant, Dean and Head, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda for her wonderful insights, valuable guidance and support for the work.

Further I would like to pay my respect to my co-guide Late Prof. (Dr.) Ambikanandan Misra for providing me with his guidance, support and experience in execution of the project.

Additionally, I would like to express my sincere thanks to Dr. Ashis Ganguly, Head, Department of instrumentation, CSIR - Institute of Microbial Technology, Chandigarh for providing the SAXS facility; Dr. Swati Biswas, Associate Professor, Department of Pharmacy, BITS-Pilani, Hyderabad Campus for her support in the in-vitro cell line studies.

I would further like to thank Dr, Kuntal Maiti, Dr, Shubhadeep Banerjee, Dr, Ajay Khopade from Sun Pharmaceutical Industries limited, Vadodara for their guidance and valuable inputs in carrying out the work.

I would like to thank my colleagues Dr. Rohan Lalani and Dr. Vivek Patel from The Maharaja Sayajirao University of Baroda for their support and help in the execution of the work. I am also grateful to various teachers of Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda and ADD/ Pharmacology teams of Sun Pharmaceutical Industries limited, Vadodara for rendering me their valuable help and necessary facilities to carry out this work.

I would like to thank my family and friends for their incessant love, support and inspiration inn completing the work
