

ACKNOWLEDGEMENT

With a deep sense of gratitude and indebtedness, I express my sincere and heartfelt thanks to my Supervisor, Prof. P. M. Ambadkar, Head Department of Zoology, Faculty of Science, M.S. University of Baroda, for suggesting the problem, and for his constant guidance till the completion of this work.

I would like to specially mention the name of my teacher, Dr. (Ms.) N. Gangaramani, (Now Ms. Thadani) for her valuable help and guidance from time to time.

I express my thanks to all my teachers, departmental colleagues, friends and well wishers for their help, rendered in one form or the other during the course of the study.

I am also thankful to the M.S. University of Baroda, Vadodara, for providing University Research Scholarship during the earlier stages of the present work. I also extend my sincere thanks to non-teaching staff of the department for their help.

I am deeply indebted to my parents for their moral support, inspiration and constant encouragement without which this piece of work would not have been possible.
