

ACKNOWLEDGEMENT

It is indeed with a deep sense of gratitude and indebtedness I express my sincere and heartfelt thanks to Dr. R. V. Shah, Professor and Head, Department of Zoology, M. S. University of Baroda, Baroda for the suggestion of the problem. The final form and substance of the thesis are the result of his inspiring guidance, constructive criticism and constant encouragement.

I sincerely thank Dr. A. V. Ramachandran for his valuable help and suggestions in conducting the research project.

My thanks are also to all my other colleagues in the department for their help rendered in one form or the other in the preparation of the thesis.
