

ACKNOWLEDGMENTS

I express my sincere gratitude to my guide Dr. P.V.Kotecha, Professor Department of Preventive & Social Medicine, Government Medical College Baroda, who since my starting work gave me continuous encouraged and supported me in my work He has given his confidence and energy to me. It is his expertise in the field of preventive medicine, which helped, in the successful completion of this study.

I express my sincere thanks to Dr. (Mrs.) G. D. Joshi Professor & Head, Department of Preventive & Social Medicine, Government Medical College Baroda, and Dr. (Mrs) Sangita Chandwani, Dean of Faculty of Medicine, Medical College & The M.S University of Baroda, Who helped me at various stages of my work.

I acknowledge the support of Mr. R.M Patel IAS Ex. Commissioner Health Medical Services and Medical Education, Govt. Of Gujarat Gandhinagar, Dr A.J. Joshi Additional director (Health) Gandhinagar and Dr. B M. Soni state TB officer, Gandhinagar, Gujarat state for permitting me for the study.

I am obliged to DTO & his team, for their kind cooperation I am thankful to all survey team members, Medical Officers, Para-medical health personnel and other staff of primary health care institutions for their help in the data collection.

The task had been made pleasant by the constant help of my friends& family members and I thank them all

Lastly, I thank all the patients and their family member for their cooperation at various stages of the data collection

Dated. April 12, 2001
