

LIST OF TABLES

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
1.1	Institutional Climate Classification Criteria.	62
2.1	An Overall break-up of the sample.	108
2.2	Types of institutions sampled.	109
2.3	The sample size under the biographical variables.	110
3.1	Component-wise break-up of the Semester System perception questionnaire (SSPDQ)	123
3.2	Subjects of the pre-pilot, validity and reliability studies.	124
3.3	Measures of reliability coefficient obtained for the dimensions of the SSPDQ in the reliability study.	125
3.4	Maximum possible scores on 'Desirable', 'Feasible' and 'Problems' dimensions of SSPDQ.	126
3.5	Dimensions of Institutional Climate Questionnaire.	129
3.6	Numerical values assigned to each level of organizational climate for the climate dimensions.	132
3.7	Distribution of items in ^{the} Questionnaire on College Teacher Morale (QCTM)	135
3.8	Comparison between high and low dogmatic groups on Dogmatism.	140
4.1	Mean perception scores of 500 college teachers on the Semester Components.	148
4.2	Ranked semester components under 'desirable' perceptions based on the scores given in Table 4.1.	150

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
4.3	Ranked semester components for the 'feasible' perceptions based on scores given in Table 4.1	151
4.4	Mean 'desirable' perception scores of the teachers of Affiliated Colleges, University Departments and Autonomous Institutions on the semester components.	156
4.5	Mean 'feasible' perception scores of the teachers of Affiliated Colleges, University Departments and Autonomous Institutions on the Semester Components.	157
4.6	Semester Components ranked on the basis of the 'desirable' perception scores of Affiliated College teachers given in Table 4.4.	164
4.7	Semester Components ranked on the basis of 'desirable' perception scores of University teachers given in Table 4.4	165
4.8	Semester Components ranked on the basis of 'desirable' perception scores of the teachers of Autonomous Institutions given in Table 4.4	166
4.9	Semester Components ranked on the basis of the 'feasible' perception scores of Affiliated College teachers given in Table 4.5.	167
4.10	Semester Components ranked on the basis of the 'feasible' perception scores of the University teachers given in Table 4.5.	168
4.11	Semester Components ranked on the basis of the 'feasible' perception scores of the teachers of Autonomous Institutions given in Table 4.5.	169

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
4.12	Perception scores of faculties on 'desirable' and 'feasible' dimensions of Semester System.	175
4.13	Faculties ranked on the basis of 'desirable' perception scores given in Table 4.12.	177
4.14	Faculties ranked on the basis of the 'feasible' perception scores given in Table 4.12.	178
4.15	Comparison of 'desirable' and 'feasible' perception scores of educational administrators and teachers of various categories.	180
4.16	Educational administrators and teachers ranked status-wise on the basis of their 'desirable' perception scores given in Table 4.15.	181
4.17	Educational Administrators and teachers ranked status-wise on the basis of their 'feasible' perception scores given in Table 4.15.	182
4.18	Scores of different age groups in 'desirable' and 'feasible' perceptions.	186
4.19	Age-groups ranked on the basis of their 'desirable' perception scores given in Table 4.18.	187
4.20	Age-groups ranked on the basis of their 'feasible' perception score given in Table 4.18.	187
4.21	'Desirable' and 'Feasible' perception scores of Women and men teachers.	189
4.22	A comparison of the 'desirable' and 'feasible' perception scores of teachers on the basis of academic qualification.	191
4.23	Ranking of teachers academic qualification-wise for their 'desirable' perception on the basis of marks given in Table 4.22.	191

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
4.24	Ranking of teachers academic qualification-wise for their 'feasible' perception on the basis of marks given on Table 4.22.	192
4.25	A comparison of 'desirable' and 'feasible' perception scores on the basis of teaching experience.	193
4.26	Ranking of teachers according to their teaching experience on the basis of their 'desirable' perception scores given in Table 4.25.	194
4.27	Ranking of teachers according to their teaching experience on the basis of their 'feasible' perception scores given in Table 4.25.	195
4.28	19x19 Correlation matrix for the components of the semester system perceptions.	198
4.29	Classified categories of the variables of the study.	205
4.30	Comparison of the college teaching communities' perceptions about desirability of semester system and institutional climate in 28 colleges.	209
4.31	Comparison of the college teaching communities' perception about the feasibility of semester system and Institutional Climate in 28 colleges.	210
4.32	Comparison of the College teaching communities' perception about problems of adopting semester system and Institutional Climate.	210
4.33	Correlation matrix computed for the 12 dimensions of Institutional Climate and 19 components of Semester System.	212
4.34	Components of semester system perceptions correlating with institutional climate dimensions.	213

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
4.35	Comparison of the college teaching communities' perceptions about the desirability of Semester System and the teacher morale.	221
4.36	Comparison of the college teaching communities' about the perceptions of the feasibility of Semester System and teacher morale.	221
4.37	Comparison of the College teaching communities' perceptions about the problems of adopting Semester System and teacher morale.	222
4.38	Correlation matrix computed for 8 dimensions of teacher morale and 19 components of Semester System.	225
4.39	Components of Semester System perceptions correlating with teacher morale dimensions.	226
4.40	Comparison of the college teaching communities' perceptions about the desirability of Semester System and Leadership Behaviour of Principals.	229
4.41	Comparison of the College teaching communities' perceptions about the feasibility of Semester System and the Leadership Behaviour of Principals.	230
4.42	Comparison of the college teaching communities' perceptions about the problems of adopting Semester System and the Leadership Behaviour of Principals.	230
4.43	Correlation matrix of 2 dimensions of Leadership Behaviour and 19 components of Semester System.	232
4.44	Comparison of the College teaching communities' perceptions about the desirability of Semester System and 'dogmatism'.	236

<u>TABLE NO.</u>	<u>TITLE</u>	<u>PAGE</u>
4.45	Comparison of the college teaching communities' perceptions about the feasibility of Semester System and 'dogmatism'.	236
4.46	Comparison of the college teaching communities' perceptions of the problems of adopting Semester System and 'dogmatism'.	237
4.47	Correlation matrix of dogmatism and 19 components of Semester System perceptions.	237
5.1	Variables of the Factor analysis.	241
5.2	25 x 25 Correlation matrix of the variables of the factor analysis.	244
5.3	Orthogonal factor loading matrix.	245
5.4	Varimax rotated factor loading matrix.	246
5.5	Varimax Factor I	247
5.6	Varimax Factor II	248
5.7	Varimax Factor III	249
5.8	Varimax Factor IV	251
5.9	Varimax Factor V	252
5.10	Varimax Factor VI	253
5.11	Varimax Factor VII	254
5.12	Varimax Factor VIII.	256
